

By Phat

PERSONAL—My favorite writer now is Nunelly Johnson. Can't remember just what work of his I've read recently but last week when Guy Lombardo was playing the favorite songs of various notables, he played "Who" for Nunelly Johnson. So he must be good. . . Mrs. G. says that if I could only write, I'd be a good writer. Says I have all the other qualifications. . . Johnson's favorite song is mine, too; I have as many crins as did Irving Cobb; my desk is as cluttered as was William Allen White's; my handwriting is as bad as was Horace Greeley; and am as republican as General Otis was. . . Only thing I don't like about that statement is that, outside of Johnson, all of the gentlemen mentioned are deceased.

THE VILLAGE—Jimmy Partridge, son of Frank Partridge, went into the navy [this week, Tuesday his dad got a letter from him: "Have had all of my shots and been vaccinated. You can take down the star, dad, and hang out the Purple Heart" . . . Wednesday morning most of the town's merchants gave their janitors other work to do and swept off their own sidewalks. They wanted to be in the best possible position for post-election gossip. Some walks weren't swept until 10 a. m. . . Prediction is made that after the war, one out of every 500 persons will own their own airplane. If some of the drivers [who now negotiate Village streets are among the "ones", the old expression, "Look Out Below" is going to mean something.

LETTERS—"The 'Visitor' who wrote you last week was right about bikes parked all over the sidewalk," said a Villager. "Some times you can't get by. There ought to be a law." Said another, "He should appreciate mayonnaise. Doesn't he know it's hard to get? If he really wanted to kick why didn't he say something about the music from the hillside? Everyone's taste in music isn't the same and I, for one, don't like banal baritones—but you can not get away from that loud-speaker." Now, if they'd play something I like—but then, I suppose a lot of people wouldn't like "Mairzy Dotes" . . . Joe Butler and all of the Los Compadres club members said the platter-turner on the hillside was o. k. Wednesday, He played a lot of cowboy records.

POLITICAL—Maybe England and the United States are farther apart than admitted. Churchill recently said: "We must beware of building up a society in which nobody counts except the politicians or an official—a society where enterprise gains no rewards and thrift no privileges." That certainly doesn't sound like our own administration. . . If politicians who go around shouting about democracy, need a definition, they should read what Abe Lincoln once said: "As I would not be slave, so would I not be master. This expresses my idea of a democracy. Whatever differs from this, to the extent of the difference, is not democracy."

ODDS AND ENDS—The army thinks of everything. Close to the front in Italy it maintains "Beauty Shops." There mud-plastered, weary men, back from front line duty, hasten and come out in less than an hour showered shaved and freshly attired. . . In reply to the Villager who remarked that this seemed to be an exceptionally windy year, I would respectfully submit—he ain't seen nothing yet. This is election year . . . a survey of last Sunday's Easter Parade reveals that while other things may be gloomy, the women have gone sensible with their hats.

THIS AND THAT—Biggest racket since prohibition days and growing into as big a menace as was that bloody period in U. S. history, is the Gasoline Black Market pool. Paul Gallico, in an editorial, sums it up in sarcastic vein. If you like to chisel a few extra gallons, ponder these sentences: "Dope peddler, white slaver, kidnapper, slugger, black-mailer, extortionist, murderer and racket king have left their specialties to become part of the Black Market Gasoline pool. There's millions in it. So are you going to let them down? It's un-American to discourage initiative. So hurry down and do your bit for the racketeers. It comes from your neighbors allotment. But who is he? The racketeers depend upon you."

LASTLY—The army is considering taking no men above 26 years of age. That won't hinder the WAC recruiting program. Few women are over 26.

Four More Air Lines Seek Permits to Serve Village

The Desert Sun

Of Palm Springs, California

City Offices Dedicated to the GROWTH, DEVELOPMENT and CONSTANT IMPROVEMENT of AMERICA'S FOREMOST DESERT RESORT

Vol. XVII—No. 37 Friday, April 14, to Friday, April 21, 1944 Price Five Cents

Main Line Air Service For Village

Six Air Lines Indicated Here In Postwar Era

With two air lines already having permits to serve Palm Springs, three more having applications before the Civil Aeronautics board for permits to operate in and out of the Village and two more concerns studying the local situation with the view to filing applications, this city will be definitely on the nation's air map with the conclusion of the war, it was indicated today.

The American Airlines and the Western Airline already are serving the Village but because of the war are handling top priority passengers only.

THREE SEEK PERMITS

Applications to include the Village on the main line of Transcontinental and Western Air, (TWA), Southwest Airways and the Ryan School of Aeronautics were before the CAB with hearings scheduled in the near future. It was also indicated that the United Airlines was considering inclusion of Palm Springs on its lines and the Chicago and Southern Air Lines, Inc., has queried Secretary Walter Kofeldt on landing facilities here.

SURVEY BEING MADE

TWA officials were in Palm Springs last week and returned this week. They have a large force at work in the Village at present conducting a survey of winter visitors to ascertain their travel preferences. Under their application with the CAB they seek to bring coast-to-coast trunk line service to Palm Springs. Their application seeks main line stops at Palm Springs, Riverside and San Bernardino in California. The Ryan application asks for a line originating at Los Angeles and terminating at Yuma with passenger stops at San Bernardino, Palm Springs and Imperial. The Ryan line would connect at Los Angeles with the main transcontinental lines and serve as a feeder for them. The plan contemplates daily passenger, mail and cargo service from the Village to Los Angeles.

HEARING APRIL 29

The Ryan company seeks to install 2100 miles of airway service in California including more than 100 cities. Hearings on the Southwest Air (Please Turn to Page 6)

School Board Asks Government Lunch Aid Be Continued

Palm Springs high school board meeting this week, adopted resolutions and forwarded petitions to California senators and representatives in an effort to avert a serious blow to the present school lunch system. The petitions, addressed to Senators Hiram W. Johnson and Sheridan Downey and Congressman John Phillips, urged them to use their efforts to restore the \$50,000,000 item in the \$567,995,779 agricultural department appropriation bill, for the national school lunch program.

The fund for the school lunch program was stricken from the bill in committee and if the measure becomes a law in its present form, the program to provide subsidies for school lunches will be ended. Local schools have participated in the national fund and have thus been able to serve more nutritious meals at lower costs to students than would otherwise have been possible.

Members of the local board expressed themselves as of the belief that while national economy was desirable, the school lunch system was not the place to start.

City Official Stricken on Trip East

P. M. Swart Now In Hospital For Study And Care

P. M. Swart, assistant director of public works, is in Riverside hospital today for observation and treatment of an illness which developed on his recent trip to Paris, Texas, where he went to see his son, Lt. Rolland W. Swart before the latter departed for overseas duty.

Mrs. Swart had gone to the Texas post some time before to be with the son and Mr. Swart drove east to spend a few days with him and to bring Mrs. Swart back to the Village.

ARRIVES TOO LATE

Due to a change in orders, however, Lt. Swart left for port of embarkation before his father arrived and the re-union failed. While planning the return trip, Mr. Swart was stricken ill, his condition probably aggravated by the shock of the disappointment.

Physicians said he could not drive back or even ride back in the automobile and he was placed on a train and sent home to the Village. Mrs. Swart drove the car back.

TAKEN TO HOSPITAL

Upon arrival here his condition had not improved and it was decided to take him to the Riverside hospital for diagnosis and treatment.

Exact nature of Mr. Swart's illness has not been determined but it is believed to be some type of food poisoning.

Children Bring in The Paper

More than five tons of scrap paper have been gathered, baled and delivered to Walter Illick, chairman of the Palm Springs salvage committee by youngsters of the Frances S. Stevens and Nellie N. Coffman schools, Miss Katherine Finch, superintendent of the Desert School district, said yesterday.

At Frances S. Stevens school, a committee of fifth graders, under supervision of Miss Dolores Lowry, teacher, has been baling bundles of paper daily and seeing to it that they are delivered to the salvage pile.

On this committee are James Pike, Bill Leoncio, Jr., Bob Tensley, Bobby Markham, Dolores Smith, Cora Santa Cruz, Mary Penderly and Tokey Kuhl. They have a baler, donated to the schools by the Southern California Disinfecting company, into which the waste baskets are dumped and the paper compressed into a compact, easy to handle, bundle. Newspapers, flat, are wired into bundles of about 50 pounds each.

TAKEN TO STORAGE

Whenever the station wagon leaves Frances S. Stevens school to take supplies and lunches to the other schools in the district, (Please Turn to Page 6)

Chamber Directors Meet Today, Elect Officers for Year

Directors of the Chamber of Commerce—ten hold-overs and ten elected at last week's enthusiastic annual meeting—will meet today at the Desert Inn to organize, elect a president and other officers, and map plans for the coming year.

Several other important items are scheduled to be discussed by the directors, Walter Kofeldt, executive secretary, said.

Four New Councilmen To Take Places Monday

ASSUMING FORM—Only a dream a few weeks ago, the Palm Springs Community Hospital is rapidly nearing the stage where work can commence. Above is the artist's conception of what the new structure will look like when finished.

Final Details For Hospital Being Settled

Preliminary details for the Palm Springs Community Hospital is rapidly being completed and the committee plans to meet within the week to iron out the final details of the plan of operation.

Consultations with architects have already begun and plans sketched for the institution. Final action on the plan, however, will await selection of a site so that the plans may be adapted to the land. The committee on sites is still studying some exceedingly generous offers, more of which came in this week and more of which, it has been indicated, will be made.

Although no solicitation for funds has been made, voluntary contributions are rolling in, indicating a hearty interest in the proposed hospital by Villagers and winter residents.

Committeemen said this week that any philanthropic-minded Villagers who have a site they would like to offer, should contact William Dean or telephone him at 2231 and that any who wish to volunteer funds for the institution may leave them with Fred Ingram at the Bank of America.

The committee, which will meet again in a few days, is much encouraged by the progress made and by the encouraging enthusiasm shown.

E. E. Theriault, city councilman from the fourth district and well known local attorney, was a business visitor in Los Angeles and Riverside this weekend.

Drivers' License Tests to Be Given Here On Thursday

How's your driver's license? It might be a good idea to pull it out of hiding and take a peek at the upper left-hand corner. If the expiration date has passed or about to pass, make a date with yourself to be at the city council chambers either next Thursday between the hours of 12 noon and 6 p. m. or next Friday, between 8 a. m. and 1 p. m.

On those two days and between those hours, April 20 and 21, a representative of the Motor Vehicle department will be here to give oral examinations and driving tests, if need be. Similar tests will be given on June 15 and 16, Sept. 21 and 22, and Nov. 16 and 17. Chief of Police Lyle Sanard said today.

Coincidence Lands Village Soldier in Old Home Town

Away off in New Guinea, Hy Freeman, well known Villager and soldier in Uncle Sam's army suffered an injury which army medics said needed expert hospital attention. So they ordered him to a hospital—and of all hospitals, Torney General Hospital in his own home town.

Freeman landed in San Francisco six weeks ago and is now here after three years in the army, two of which have been spent in the South Pacific war theater, the last eight weeks before being sent home, in New Guinea. He brought word of Joe Todd, Cathedral City, Pete Bedwell, formerly with the Chi Chi, and Ernie Axthelm, of the old Dunes. They went into the army together—even before Pearl Harbor—and have been living in the same tent in New Guinea this winter.

BRINGS SOUVENIRS

He brought with him some interesting pictures of the south seas, scenery, natives, belles of the islands, and some Australian currency and also Japanese invasion money, currency which they had printed up to use in Australia but which they have no opportunity to use except on the natives of some of the islands which they have been forced to give up. The natives in the islands of the South Pacific are extremely friendly, said Freeman and cannot seem to do enough for the American soldiers. He has several pictures of the local boys taken with the natives.

The other Villagers in New Guinea were in excellent health and spirits when he left, he reported.

NEWS FROM HOME

Freeman was profuse in his thanks for receiving The Desert Sun.

"It sometimes arrived three months late but it was always welcome and we'd pass it around the tent. The news in it offered topics for conversation and gossip for a week until the next one came," he said.

Freeman is visiting his brother, Sgt. Jack Freeman, also a well known Villager, who is stationed at the 21st Ferrying Group headquarters here.

John Connell Will Join U. S. Navy Soon

John Connell, representative of the city's first district on the council for the past two years, resigned his position at Torney General Hospital Monday of this week and prepared to enter the services of Uncle Sam in the navy.

Exact date of his departure for induction has not yet been fixed.

Missing Pair Returns While Posse Hunts

All's well that ends well—and Fred W. Marek, 44, and his son, Timmie, 11, are back with wife and mother after an exciting and sometimes, harrowing weekend high in Tahquitz canyon.

The Los Angeles man, who with his wife and son, had been spending a vacation here, left Friday with the boy for a hike into the mountains. When they failed to return that night, Mrs. Marek became alarmed and notified police.

WIDE SEARCH BEGUN

Lt. C. F. McCracken of the sheriff's staff, stationed at Banning, headed a searching party which went into the canyon to look for them Saturday. Bill Veith, Indian agent, had a crew of Indians ready to aid in the hunt and the 21st Ferrying Group headquarters here under command of Lt. Col. Richard D. Morgan, prepared a plane to take off to scan the mountain area from the air in the event the trackers failed to find the pair.

Late Saturday afternoon, just before Lt. McCracken came down from the mountains to summon the additional aid, Policeman Stephen Smith, in the police car, noticed the pair trudging up the road for home.

NO ILL EFFECTS

Mr. Marek explained that the boy had become ill the night before and that they had sought refuge in a cave to await the next day rather than try to come down in the dark. All they had to eat were three sandwiches. Neither father or son suffered any ill effects from their experience.

Workers Needed At Red Cross Thursdays

Mrs. Marvin Ostrander, chairman of production for the Palm Springs Branch, American Red Cross, has issued a special call for workers for Thursday afternoons. The work in hand includes sewing materials now on hand, preparatory to the coming summer, so that all odds and ends can be cleared up before the season closes.

Only One Incumbent Re-Elected

McCann, Nichols And Turonnet Win Contested Elections

Four new councilmen will take their places around the conference table at the council chambers, 810 North Palm Canyon drive, next Monday night as result of last Tuesday's election.

Incumbents in districts one and five were denied re-election and two replaced councilmen in districts three and seven where incumbents were not candidates for another term.

NEW COUNCIL SET-UP

As result of the decision at the polls Tuesday the council which will start operations next week will be:

District One—Maurice McCann. District Two—C. P. Adams. District Three—Culver Nichols. District Four—E. E. Theriault. District Five—Armand Turonnet.

District Six—F. V. Shannon. District Seven—Clarence Hyde.

TUESDAY'S BALLOT

In District One, Tuesday, McCann polled 82 votes to John Connell's 65. There was no election in District Two. Culver Nichols won District Three by 86 votes to Gordon Feekings' 57.

Eugene Theriault had no opposition in District Four and was elected when 12 votes were cast by voters there, the smallest district in the city in point of population. In District Five, Turonnet nosed out Frank Cutler, incumbent, by three votes, 47 to 44. There was no election in District Six, represented by Mayor F. V. Shannon, and in District Seven, Clarence Hyde, running without opposition, received 38 votes, more than a third of the registered voters turning out despite the fact there was no opposition.

MEET ON MONDAY

The old and new councils will meet Monday night to organize and elect a president who becomes mayor of Palm Springs. A preliminary caucus of the board may be held earlier on Monday. Tuesday's vote was surprisingly large in the three precincts where contests were staged, more than 50 percent of the voters turning out in each of the districts.

USUAL RUMORS

The vote was a quiet one in all districts despite the fact that a flurry of excitement was caused in District Seven where rumors were circulated that a surprise "write-in" candidate would be thrown into the race at the last minute.

But the maneuver failed to develop beyond the rumor stage and had it been tried, might have met failure because of the large complimentary vote given Mr. Hyde.

Organization Day to Be Observed By Torney April 27

Col. A. B. Jones, commanding officer of Torney General Hospital, has designated Thursday, April 27 as Organization Day, commemorating the second anniversary of the activation of Torney General Hospital as a military post. On April 27, 1942, Col. Jones reported for duty and assumed command of the hospital.

To celebrate the occasion traditional army ceremonies are now being arranged. It is anticipated that these will include open house and Formal Review with Presentation of the Colors at 5 p. m.

Society

Part Australia Is Playing In War to Be Told Palm Springs Women's Club

By MARTHA FORWARD

Do you know what Australia is doing as her part of the Lend-Lease program? Where is there an ocean on whose waters the United States Navy has written greater, more heroic sagas than the Battles of the Coral Sea and the Bismarck?

Marjorie Miller, world traveler, lecturer and radio commentator will tell about Australia's war effort—Guadalcanal, Port Moresby, Buna, Gona, the Solomons—names that because of the exploits of the armed forces will become as much a part of American history as Valley Forge, Bull Run, San Juan Hill and Belleau Wood, when she appears before members of the Palm Springs Woman's Club and their guests at the last meeting of the club year on Monday afternoon, April 17, at 2:30 o'clock, at the club house on Cahuilla Road.

LONG IN AUSTRALIA

Born and educated in England, Marjorie Miller spent the years of the last war on the Northeast Coast of Yorkshire, not far from Hull, then, as now, the most bombed city of the British Isles. Later she went to that farthest outpost of the British Empire, Australia, where for ten years she was in charge of the largest private circulating library in Hobart, Capital City of the Island State of Tasmania.

Because of her attractive speaking voice and excellent diction, she was engaged by the Australian Broadcasting Commission to give weekly commentaries on books, a post she held for more than six years, relinquished only when she came to make her home in America, as wife of an American.

AUTHENTIC DATA

She receives continuously throughout the year, authentic information from the Australian government and from friends and relatives there.

With her years of residence in Australia she will narrate vividly the conditions there—explain some of the difficulties of defending twelve thousand miles of coast line, and about the problems of rationing as told to her in letters by her sisters and friends.

Authentic pictures of our troops, in the "Land Down-Under," will show the tumultuous welcome given them by the cities, Brisbane—Sydney—Melbourne, and in contrast, pictures of them being entertained in simple, friendly Australian homes. They will show too the exquisite beauty of Tasmania, the Island State, Jewel of the Commonwealth of Australia—a glimpse of New Zealand, with fascinating Maoris.

HERE ON FORUM

Marjorie Miller is not entirely new to Palm Springs audiences, having appeared at the Palm Springs Forum, and no doubt many who have heard her speak, and those who have not, will wish to hear this informative and yet highly entertaining program. The price of admission for non-members will be \$1.20.

Mrs. Harry Hanbury will be assisted during the tea hour, following the program, by Mrs. Frank Martineau, Mrs. Marvin Sale, Mrs. Roy Colegate, Mrs. Frank Cutler, Mrs. J. Darsie Lloyd and Miss Teresa Fields.

Remember the time when there was a flourishing anti-cigarette league in the United States?

COURT SITE

Well located bungalow court site. 100 x 210.

\$3400. terms

A \$2,500.00 residence lot. None better.

\$1750. cash

WORLD TRAVELER—Marjorie Miller, world traveler and lecturer who will address Woman's club next Monday on Australia and the South Pacific war front.

Miss Rogers Weds Captain O'Hanlon At Ceremony Here

Miss Thelma Elinor Rogers, daughter of Mr. and Mrs. Travis Rogers of Rogers Ranch, became the bride of Captain John J. O'Hanlon, son of Mrs. Edward V. O'Hanlon of Philadelphia, Wednesday morning at Our Lady of Solitude church with the Rev. Michael O'Connor, formerly local pastor, now a Navy chaplain, officiating.

The attractive bride was attended by her sister, Mrs. Charles Cadwell, and Mrs. Lou Cohen served as matron of honor. Little Mary Lou Cohen was the flower girl. Capt. Frank Vosburg acted as best man. Ushers were Major John Cabal and Capt. H. D. Patterson.

Following the ceremony, the wedding party adjourned to the Racquet club for breakfast. After the breakfast the happy couple departed on a brief honeymoon trip and will be home shortly after the weekend.

Mrs. Wilson Hostess At Birthday Party For Grandson, 9

Mrs. Arch Wilson, who has been spending the winter in Palm Springs with her son and daughter-in-law, Mr. and Mrs. Ernest Wilson and their son Ernest, Jr., and her daughter, Mrs. James Rayon and her son, Jimmy Rayon, entertained at dinner at the Palm Springs Tennis club in honor of little Jimmy, who was nine that day, and for Jimmy's father, James Rayon of Pittsburgh, Pa., who recently came to the Village to join his family and enjoy a ten-day rest. There was a birthday cake and all of the other holiday features to celebrate the anniversary. The dinner was also a farewell for Mr. Rayon who left for the east this weekend.

TEMPERATURES

Date	Max.	Min.
April 6	89	47
April 7	84	52
April 8	79	51
April 9	76	44
April 10	82	41
April 11	92	50
April 12	78	52

British women will have more color and feminine lines in their 1944 fashions, although stringent cost and coupon regulations will not be relaxed. Colors will include lacquer reds, Matisse blues, grass green, and a new golden bronze. A smart, well cut dress will cost about \$12 and require 11 coupons—one-fourth of a year's supply.

After this war as after the last, crooks and skin games will flourish anew. It's up to the women, as the greatest spenders of money to protect it from crooks and phony schemes. Legitimate business needs all it can get.—Muriel Tsvetkoff, manager of Better Business bureau, San Francisco.

Some one should break down the fallacy that the Scots are a hardy race. Their infant mortality is higher than in any other part of the British Isles. Their expectation of life is four years less than that of the average Englishman.—Major S. F. Markham, Britisher in parliament.

Miss Billington Weds Soldier At Pasadena Chapel

Miss Margaret Lou Billington, daughter of Mr. and Mrs. Louise Eldridge Billington, became the bride of Cpl. Hazen Arthur Towne, Easter afternoon at 2:00 o'clock at the Pasadena Wedding chapel, announcement received by local friends of the family revealed this week.

The bride is well known in Palm Springs where she attended the local schools from grade one through high school, graduating there two years ago. She then went to school in Pasadena where she met Cpl. Towne who is stationed at the Santa Anita army base.

Her parents are also very well known here, her father formerly managing the Desert Inn garage and now acting in similar capacity for the army at Torney General Hospital.

Mr. and Mrs. Billington and Helen Louise Williams, a life-long friend of the bride, journeyed to Pasadena Sunday for the ceremony.

Cpl. and Mrs. Towne will make their home at 399 Hamilton avenue, Pasadena.

32nd Anniversary Of Wedding Day Is Observed By Hydes

Wednesday, April 12, was a big day for Mr. and Mrs. Clarence Hyde.

Of course, the fact that on the day before he had been elected to the city council, made it something of a special day but the big cause for celebration was that it was the 32nd anniversary of their wedding day.

Red Cross Awards Presented Wives of Officials Here

A luncheon was given by the Officers Wives of the 21st Ferrying Group at the La Paz Tuesday at which time Red Cross buttons were given those members having fifty hours or more of Red Cross service to their credit.

Awards were given the Mmes. Joseph Carraway, J. Lockerby, R. Erickson, John Hamilton, L. P. Karge, J. Jarvis, S. Kirk, L. Spore, Ralph Thomas.

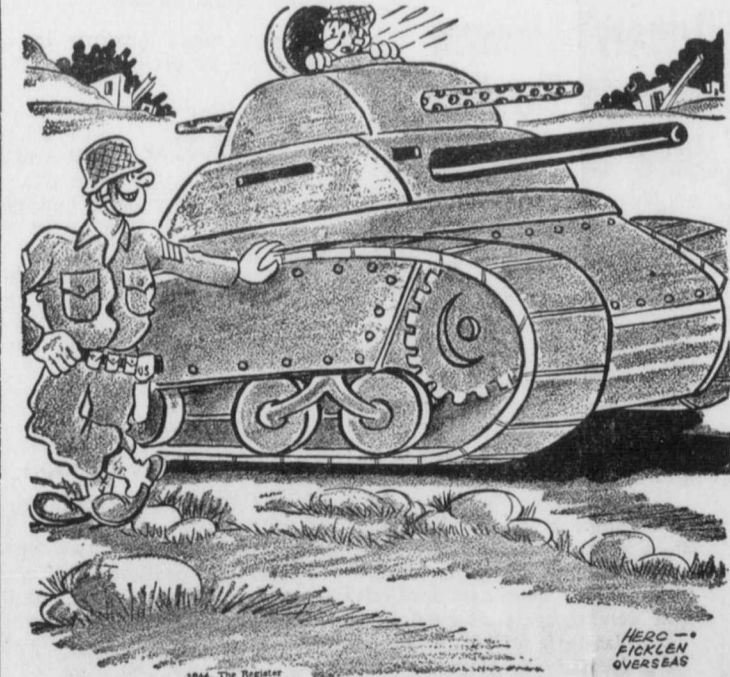

Guests at the luncheon were Mrs. M. A. Selinger, Mrs. M. J. Ostrander, Mrs. J. B. DuBose and Mrs. J. B. DuBose, Jr.

The Folson Observer, inmate-published newspaper of Folson state prison, noted recently that the San Quentin prison radio program had changed its theme song from "Time On My Hands" to "As Time Goes By." "Though Folson has no radio program on which it has a theme song," the paper continued, "It really has a good one, 'Show Me the Way to Go Home.'"

In Thee, O Lord, do I put my trust: let me never be put to confusion. Deliver me in Thy righteousness, and cause me to escape; incline Thine ear unto me, and save me.—Psalm 71:1, 2.

YOU'RE IN THE ARMY NOW

By Maj. Herc Ficklen

"I can't stand it, Sarge, Marzoli ate some garlic them Italians in the last town gave him!"

Village Is Mecca For Scores Seeking Winter Sunshine

Still flocking in to Palm Springs to put the finishing touches on that coat of winter tan or to relax and rest in the desert sunshine, many newcomers registered at the Palm Springs hotel the past week.

From Hermosa Beach came a party of young girls to spend six days on the desert. They are Bette Ward, Ruth Bankerd, Vivian Smith, Virginia Kurtz, Katie Miller, Marguerite McLaughlin, and they enjoyed the week thoroughly.

FROM MANY PLACES

Mrs. Conway Smith and son, Conway, Jr., and Mrs. Robert Strickler are registered from Beverly Hills. Lt. W. E. Farrar is here from Fort Bliss, Texas. Mr. and Mrs. William Nard of the Blue Haven, Hollywood, are among the guests. Mr. and Mrs. Gustav Rich of Chicago, enroute to Los Angeles where they plan to make their home for the next six months, stopped off for a brief rest here. Their two children were with them.

District Attorney Fred N. Hauser of Los Angeles county and Mrs. Hauser and son, were up from their Long Beach home for the sunshine. Also from the metropolitan area were Mr. and Mrs. Herbert K. Smith, the former manufacturing jeweler of Inglewood, Mr. and Mrs. J. R. Tomlin of Bel-Air, Felice Green of Hollywood.

FROM SAN FRANCISCO

Cachot Davis, manager of the White House in San Francisco, was among the Palm Springs hotel guests. Father Kennedy of Long Beach was also registered and Father Dee of Los Angeles came down to spend a few days with Father O'Keefe of Arcadia who has been here for some time.

Capt. Brown and Bride Will Make Home at the Nooks

Captain and Mrs. John F. Brown (Dorothy Thompson), whose wedding was solemnized at the Community church in Palm Springs on Wednesday evening of last week, have taken an apartment at The Nooks.

Captain Brown is stationed at the army air base here in Palm Springs.

Major and Mrs. H. P. Hoffman and daughter Betty are also new arrivals at The Nooks. They plan to be in Palm Springs for two or three months. Miss Betty is enjoying her Easter vacation on the desert and will return next week to Claremont where she is attending school.

Mrs. H. P. McKee, of Sacramento, who with her daughter, Mrs. Virginia Cross, and her granddaughter, Dianne Cross, has been at The Nooks for the winter season, is planning to spend the summer months at Lake Arrowhead, returning to their apartment in the fall when Miss Dianne will be entering school again.

Connie Haines Here to Sing At Air Base

Connie Haines, singing star of the radio and screen, will provide cheer and song for the 21st Ferrying Group personnel tomorrow night, singing at the enlisted men's mess during dinner and at the Officers' club dance and NCO dance later.

Barbs

A Japanese general has been named head of an association dedicated to search for long life. We suggest all the members leave Japan.

RECENT BRIDE—Mrs. Paul Brooks Belding (Anita Walton) a recent bride who, during her winter visits here, has done much for the entertainment of servicemen stationed in and around Palm Springs.

Paul Belding Home Scene of Enjoyable Affairs Easter Day

Mr. and Mrs. Paul Belding entertained at dinner Sunday night for their house guests over the Easter week-end, Mr. and Mrs. Frank Davies, Col. and Mrs. Andrew Cannon, Capt. and Mrs. Howard Rust and Mrs. Alice Carlson of Chicago. Many guests were in for the affair.

Sunday morning Mr. and Mrs. Belding were hosts to a large group at an Easter morning breakfast.

Mr. Belding has just returned from a business trip into Mexico.

Many Gay Affairs Mark Palm Springs Tennis Club Week

Easter week found many Villagers and visiting notables enjoying the pleasant atmosphere and beautiful grounds of the Palm Springs Tennis club with many little parties marking the week and special events on Good Friday and Easter.

Thursday nights are proving gay affairs at the club with balcony and terrace thronged with gay parties now that the evenings are balmy and warm enough for out-door supper parties. Hostesses last week at Thursday evening parties were Mrs. Roderick Burnham, Mrs. H. W. Armstrong, Mrs. Philip L. Boyd, Mr. and Mrs. John Hornel, Mr. and Mrs. George B. Davies and others.

On Friday at sundown, a Good Friday program of Easter music was presented to a rapt audience with Mrs. Emil Wagner, Mrs. Violet Fowler, Mrs. Holly Lash Visel and Mrs. Violet Fraser heard in quartet numbers, accompanied by Mrs. Lois Lux. The Chapel singers, a group composed of young high school girls, also presented appropriate numbers. Tea and hot cross buns were served.

AT CLUB SATURDAY

Mrs. William Dean was hostess to a party of ten, Mrs. Karl de Laitre with a number of friends and John Outcault, entertaining for a group of high school friends, were at the club Saturday.

Sunday was a gay day with the annual Easter egg roll for the children and a tea dance, featuring Felix's orchestra, at 5 p. m. In the adult egg race, Mrs. De Laitre was the women's winner and Jeffrey Bill, the men's.

DINNER HOSTS

Hosts at Sunday's buffet dinner were Mr. and Mrs. Howard Walker, Mr. and Mrs. John S. Jenkins, Mrs. Charles Blue, Jr., Mrs. Hortense Murray, Mrs. Will Browne, Mr. and Mrs. B. Shearer and Mrs. Judy Colby.

Major Robert Ransom was host at a party at the club for Lt. Gen. Delos Emmons, Mr. and Mrs. Albert Schwabacher and Mrs. Katherine Suter at luncheon on Wednesday.

A crowless rooster is the latest thing in the poultry world. With eggs where they are, it's really the hen that has something to crow about.

Miss Peggy Clarke Becomes Bride of Lt. Joseph Grant

By MAUREEN ROYBARK

Miss Peggy Clarke, daughter of Mrs. Veronica Clarke, and Lt. Joseph H. Grant, Jr., son of Col. and Mrs. Joseph H. Grant of New York city, exchanged marriage vows before the Rev. Robert M. Hogarth at St. Paul's in the Desert, Episcopal church, late Wednesday afternoon before a party of intimate friends and students from Palm Springs high school where Miss Clarke has been a member of the faculty for the past three years.

The newlyweds departed on a brief honeymoon trip to an unannounced destination shortly after the ceremony. They will return to Palm Springs Sunday to spend the rest of Lt. Grant's leave. He is at present stationed at Fort Sam Houston, Texas. He came to the Village on leave for the ceremony last Monday and will return a week from today.

Mrs. Grant expects to join her husband at the close of the school year—providing he is still in the United States.

Annual Card Party Of Altar Society Enjoyable Affair

More than 100 guests enjoyed an afternoon of bridge and tea at the Desert Inn Monday when the Altar Society of Our Lady of Solitude, Catholic church, presented their annual card party on the terrace of the hotel.

The day was a perfect one for the occasion and the event was highly successful.

The door prize was awarded Miss Virginia Colville.

The committee in charge, Mrs. Armand Turonnet, chairman, expressed their appreciation and thanks to the Village Pharmacy, DeVine's Market, Desmonds, Thad Graham, Joshua Tree Studio, Kenneth DuBose, Milnors, Lykens, Lanz, Denslows, Willards, Bullocks, Palm Springs Drug Store and Mrs. Wroughton for the prizes which they donated for the tables and their special thanks to Mrs. Nellie N. Coffman, Earl Coffman and George Roberson for their generous donation of time and site for the event.

Mrs. Ona Brown to Be Guest of Honor

Mr. and Mrs. Kenneth Kirk will entertain tomorrow afternoon for Mrs. Ona Brown, well known Village hostess, at their home.

Between 50 and 60 guests have been invited.

Mrs. Brown is entertaining as house guest this week, Miss Jacqueline Ames of Beverly Hills, who has been a frequent winter Villager and much entertained here in past seasons.

Sister And Friends Mrs. Murray's Guests

Mr. and Mrs. Fallon O'Bryne of San Marino and Mrs. T. E. Brooks of Birmingham, Ala., are house guests of Mrs. Hortense Murray of 1189 Beuna Vista.

Mrs. O'Bryne and Mrs. Murray are sisters.

VILLAGE PHARMACY

Chicago Girl Weds Air Base Officer

Monday evening at 5 o'clock, Miss Evelyn D. Christian, of Chicago, and Lt. Selden J. Osborne of Westfield, Mass., were united in marriage by Dr. J. R. Macartney, at Community church.

The bride arrived from the midwest city for the ceremony that day. Lt. Osborne is stationed at the 21st Ferrying Group headquarters here.

Attending the couple were Captain Harry J. Parrish and Miss Mary Cox.

Long suffering males are to get more comfortable clothing. When Government restrictions end, suits will be made giving greater freedom for arm movement and more comfort around the waistband when men are seated. The changes are hailed as the "first definite advance in designs in 100 years." It's about time!

FOR RENT

3-bedroom home with three baths, sun deck.

Two-bedroom home with two baths. Never rented. Comfortable and in excellent taste.

Several small apartments and rooms from \$40.00 to \$300.00 monthly and \$15.00 to \$100.00 weekly.

35 Wacs From Camp Haan Spend Happy Weekend In Village, Enjoy Dance And Riding, Hiking And Biking In Desert

Thirty-five Wacs from Camp Haan spent an enjoyable week-end in Palm Springs, a holiday leave crammed with action from start to finish.

Under guidance of Wac Lieutenants Allen and Sturgis, the contingent arrived at the Field Club at 4 p. m. and by 5 p. m. were out hiking, horse-back riding and biking.

ENJOY DANCE

After dinner they were taken to the Field Club where they were admitted free by Mrs. Margaret Anderson and proved welcome partners at the dance.

Sunday morning they were up before dawn and in attendance at the Sunrise Services. After the services there was more horse-back riding, biking and hiking followed by a picnic dinner in Andreas canyon. The Smoke Tree ranch opened its pool for swimming to the visitors and at 5 p. m. they left for Camp Haan, all keyed up, as one of them said, to "pitch in and win the war."

ONE JARRING NOTE

While it was a great week-end for all of them, Pvt. Virginia Strakey said it was a bit costly. She bought a new billfold here and in it tucked two pictures and the change out of her first paycheck, which she cashed to buy the wallet. No other identification cards were in it and somewhere between the Field Club and Andreas canyon she lost it.

Anyone finding the billfold, which contained \$27 in change and the two snapshots, one of a sailor and the other of a little girl, is urged to contact R. H. Bennett, Field Club director, who will see that Pvt. Virginia Strakey gets it.

Pudding Toppers

If you have been too extravagant with your sugar allotment, top your puddings and cakes with chopped almonds. The result is delicious and most acceptable.

Grease Bonus—Butchers will give two red tokens for every pound of salvaged kitchen fats received.

Tire Inspections—End April 20.

Martha James Back From Denver Trip

Martha James, well known Village real estate broker, returned last week end from a two-week trip to Denver and Salt Lake City. She was called to Denver by the serious illness of her father who was stricken with pneumonia. He is now on the road to recovery.

Palm Springs looked extra good when she reached home for it had been snowing in the mountain cities when she left, raining when she arrived at San Bernardino but sunshine greeted her upon her arrival here.

County's Share In Auto Fees, \$5,566

Riverside county was apportioned \$5,566.39 by the department of motor vehicles to cover the county's share of motor registration fees collected by the department for the last six months of 1943. Director Gordon H. Garland announced.

This brings the total county share for the year to \$67,304.61 based on the registration of 45,515 motor vehicles in the county.

Frank O. Dunbar Visits In Village

Frank O. Dunbar of San Jacinto, candidate for the state senate from Riverside county, and Mrs. Dunbar and their child, spent Tuesday night in the Village.

Mr. Dunbar was here in the interests of his candidacy. The primaries will be held May 16.

Missionary, Long In China, Guest Here

Mrs. Carson W. Cox is spending a few weeks as guest of Mr. and Mrs. George B. French, 173 East El Portal.

Mrs. Cox has spent the past 25 years in China in missionary work for the Friends church. She plans to return to China as soon as she can obtain a passport.

Tebo Says County At "Second Table" In State Too Long

In announcing his candidacy for election to the state assembly, Frank Tebo, Indio business man for 28 years, said this week that he is seeking the office because of the need for a representative at Sacramento who will at all times work for the people's interest of Riverside county as a whole.

"I will not feather my own political nest at the taxpayers' expense," Mr. Tebo said. "I will go to Sacramento solely because there is a job to be done for Riverside county."

"State administrations at Sacramento have too long looked upon Riverside county as an orphan stepchild, and as a result we have been eating at the second table. My main purpose in running for the assembly is to put an end to that situation."

Mr. Tebo is thoroughly acquainted with all sections of Riverside county. He is president of the Desert-to-Ocean Highway Association, a director of the Indio Chamber of Commerce, exalted ruler of the Indio Elks Lodge and a past noble grand of the Indio's Odd Fellows Lodge.

Astronomy Group May Be Formed In Village Next Fall

A group to study the stars will probably be organized in the Village next fall as result of the highly interesting talk presented last Sunday night at the Community Church by Mrs. Jeannette Spurrier of the University of California, on "Astronomy vs. Astrology."

A large audience heard the talk and at its conclusion urged the formation of an astronomical society here to study the heavens under instruction from Mrs. Spurrier, something along the lines undertaken by the Desert Museum in studying the flowers and animals of the desert.

Pay your telephone bill before the 30th and receive a discount.

Village Resident Summoned by Death After Brief Illness

Robert King, a resident of Palm Springs for the past six years, engaged in the painting business, died at a San Bernardino hospital last week at the age of 69. He was stricken here two weeks ago and taken to the Gate City for medical care.

A native of Fort Worth, he was laid to his last rest there following services at Shaw's Chapel in San Bernardino.

Besides his wife, he is survived by three daughters in California, Opal King, Mrs. Russell Roland and Mrs. Robert Frohm and a daughter in Fort Worth, Mrs. Lon Crane.

Activity Continues Brisk at Masonic Service Quarters

Activity at the Masonic Headquarters for service men at the entrance to the Desert Inn grounds continued brisk during the past week with a number of soldiers from local installations and from surrounding posts taking advantage of the facilities offered.

They came in for information, to read, rest, take showers or just sit around and talk.

The cool, comfortable room adds greatly to the comfort of visiting service men and committeemen who are giving generously of their time to the headquarters.

The committee in charge is much encouraged by the good that is being accomplished, they said.

Monthly Bulletin To Give Report on C. of C. Activities

Starting at the end of this month each member of the Chamber of Commerce will receive a monthly bulletin from the office of Executive Secretary Walter Kofeldt at the Chamber, 310 North Palm Canyon drive.

The bulletins will list all members and also include a report on all Chamber activities for the preceding month.

Lieutenant Seeks Meanest Man Who Poisoned Pet Dog

Lt. L. L. Bardell of the army air base is on the trail of a dog poisoner this week.

Someone fed poisoned meat to his pedigree bull dog, a family pet of the officer and his wife for two years. Lt. Bardell said he would not have minded so much if the dog had been a nuisance but said it was well-mannered and well-behaved.

"And the baby was just becoming attached to it—they were both companions."

While on the trail of the "meanest man" who poisoned the dog, Lt. Bardell is also looking for another dog for his household, about six weeks old, any kind, a toy Collie preferred.

Even from the standpoint of serving humanity, it is necessary to make a reasonable profit if this private enterprise economy of our is to survive.—Vice President Henry Wallace.

It Must Have Been A Torch Song—Too Hot For Juke Box

It must have been a torch song that someone played on the juke box at the Palm Springs Bowling academy just before closing time Monday night.

For at 12:30, Tuesday morning, smoke poured out of the music box and the odor of burning insulation prompted employees at the Canyon cafe next door to turn in a fire alarm.

It was the quickest time the fire department ever made to a blaze—they just had to cross the street. There they found it was a job for an electrician, not a fireman.

Damage was nominal.

Riders Traverse Miles of Trail in Week End Outing

It was a long ride—but well worth that tired feeling Monday.

So said Mr. and Mrs. Herschel Moseley, Mr. and Mrs. Elmo Purnell, Ted Reed and Jimmy Cooper after a weekend trek by horse, through the mountains, followed by a dinner in the open late Sunday night with other riders from the Village who met them in Eagle canyon that afternoon.

DEEP INTO HILLS

The six riders, all of the Los Compadres club of which "Hutch" Moseley is president, left here Saturday evening and went deep into Palm Canyon with their horses and pack mules. They spent the night at a camp in the canyon and early Sunday continued up the trail and then crossed over on the Fern Canyon trail.

They stopped at Dripping Springs, one of the most beautiful scenic spots in the area which, although hard to get to, should be seen by all nature lovers, they said.

OUTDOOR DINNER

From there they took the Wild Horse trail into Eagle canyon near the mouth of which they were met by 20 other riders from the Village and enjoyed a great outdoor dinner.

"Except for stops to eat or to enjoy the scenery—which was magnificent, they were in the saddle from 7 a. m., Sunday until midnight. Tired—yeah, but it was worth it," said Jimmy Cooper, Los Compadres secretary.

New York City's Chrysler building has 30 elevators, which carry 34,000 passengers daily.

Many From Northwest Come to Enjoy Easter Holiday On The Desert With Desert Inn Host to Notable Guests

Many guests from Portland, Oregon, are down this way for a spring vacation on the desert. Mrs. G. A. Braley assembled a group from that city for a mid-week luncheon at Desert Inn this week. Her party was given in compliment to Mrs. Jack Hall, who celebrated her birthday during the week.

Luncheon places were marked for the honored guests, Mrs. N. C. Hampton, Mrs. Stanley Schrieber, Mrs. Lee James, Mrs. Frank Cutler and Mrs. Robert Cutler. All were from Portland except the latter two.

One group, which spent Easter week here from Portland, were Mr. and Mrs. T. H. Banfield, Miss Harriet Banfield, Miss Patty Lou Lesser and Mrs. G. Haynes.

EASTER MUSIC

Guests at Desert Inn were treated to a musical program in the lobby Tuesday evening. Choir members from Community church numbering approximately 30, presented an evening of Easter music.

Following the morning sunrise services held Easter morn on the hillside adjoining the grounds of Desert Inn, the annual Children's breakfast was given in the main dining room. Each youngster was presented with a large chocolate Easter egg, and a table full of appropriate decorations were arranged to please the eager group of children. This event, which has become an annual custom, is greatly looked forward to and many families bring their children to Desert Inn each Easter week for the "young set" doings arranged.

NOTED VISITORS

Among Desert Inn visitors this week are Major R. H. Fleet, former president of Consolidated Aircraft Corporation, in San Diego; Mrs. Fleet and their small son, Preston. They now are residing in Beverly Hills, and are spending more than a week here.

Dr. and Mrs. F. Justin McCarthy have arrived from San Francisco to spend two weeks on the desert. Mr. and Mrs. George Wagner, also of the northern city, are here visiting a fortnight.

Mrs. Freddy Martin with her son arrived from Ambassador hotel, Los Angeles, for a stay of ten days. Mrs. J. H. Ashbaugh, Mansfield, Ohio, is here for a stay of indefinite length.

FAMILY GATHERINGS

Easter vacation brought a number of families, including: Mr. and Mrs. Arthur Bourne, Stephen and Douglas Bourne, Albourn Ranch, Glendora; Miss Barbara Douglas and James Douglas, Santa Monica; Mrs. Arthur D. Hyman and her daughter, Barbara, Beverly Hills; Mr. and Mrs. John Redfield, and John, Jr., Beverly Hills; Mrs. George Morrell and Miss Patsy Morrell, Palo Alto.

Miss Gloria L. Cassidy has come here for the week's vacation from Stanford University. She joined her family at Desert Inn. Dr. and Mrs. W. A. Cassidy have been at the Inn for several weeks.

ANOTHER WEEK

Mrs. H. D. Patterson, San Francisco, will be here another week. Mr. and Mrs. W. C. Nickum of Seattle, Wash., are to visit here until Monday.

One large group enjoying a vacation from San Francisco are Mr. and Mrs. D. Rae Teroller, Dr. and Mrs. Hugh Phillips, Sue Teroller, Andrew Hamilton and Barbara Lynch, who have been here one week.

Others in for a short stay include: Mr. and Mrs. J. B. Michkles, Weston, Mass.; Col. and Mrs. Earl Wood, Newark, N. J.; Mr. and Mrs. L. A. Summerfield, New York City; Mrs. Frederick Jones and Miss Elizabeth Jones, Grosse Point, Mich.

After the war the blockade will end at once. In matters of relief our allies will come first and the Germans must not expect much consideration until the needs of the occupied territories have been met. The more they waste the land, the longer they will have to wait. — British Minister of Economic Warfare the Earl of Selborne.

Museum Notes

By T. D. A. Cockerell

EXHIBIT OF WILD FLOWERS

The Desert Museum contains many exhibits illustrating the natural history of the region, and these are supplemented every day by a program of moving pictures, some of the pictures in color. But at Easter time we made a point of showing the beautiful wild flowers, which are different from those of other states, and even different from those of other parts of California. We had about fifty kinds, but last year about a hundred. At the east windows (the snakes and lizards having been removed for the present) will be seen the Compositae or Sunflower family, which are most numerous in our country. Here will be seen the Encelia, called Encelia Farinosa, which means mealy, to distinguish from the kind found along the coast, which does not have the greyish foliage. The so-called Desert Sunflower, Geraea, called G. Canescens, which means whitish, another example of the pale color of Desert plants, due to the protective hairs. This is one of the handsomest of our flowers, and is sweet-scented. The white-flowered dandelion-like plant, which has been called California Chicory, is named Rafinesquia, after a very eccentric botanist of a hundred years ago. The yellow Desert Dandelion, a favorite with small native bees, is Malacothrix; it is very abundant in vacant lots about town.

The Pea Family contains many interesting species, including the famous smoke tree. People often ask, does it have any flowers? Indeed it does; they are blue-purple, but they appear late in the season, when most of our visitors have gone away. The Lupines are numerous; one brought in was remarkable for its abundant long hairs; it was named Hirsutissimus, which means very hairy. We have just received a pure white lupine, a most beautiful thing; it seems to be a variety of one which is usually purple. Some one should propagate it by seed, and offer it as a garden variety. White crossed by white will come true. There are many species of the small-flowered plants called Lotus, a rather absurd name as we usually think of the Egyptian Lotus, related to the water lilies, when we hear the name, but these kinds of Lotus have small yellow flowers. Some plants are erect, others spread out on the ground. Recently we observed pear-shaped swellings on a Lotus, and on opening these found they were occupied by a minute weevil, a kind of beetle with a long beak. Apparently this has not been recorded before.

On the top of the Automatic Projector will be found some aromatic or strong-scented plants. The Desert Lavender, of the Mint Family, named after Major Emory, who was director of the Mexican Boundary Survey. The so-called Sand Verbena is really a kind of Abronia, and belongs to the Four-o'clock Family. The species which makes the desert gay at this time of year is hairy, contrasting with the similar but relatively smoother kinds of the coast region. Genuine Verbena, from garden seeds, is to be seen growing just in front of the Museum.

We have some plants of the Potato Family. The Nightshade, with black berries, is named after David Douglas, the famous Scotch botanist, who explored western America in search of plants more than a hundred years ago. His discoveries were many. There is also the Datura, or Jimson weed, also called Angel Trumpet, with great white trumpet-like flowers, which wilt very quickly when picked. This plant is peculiar for having the leaves lop-sided at the base. Then there is the Desert Tobacco, which was used for smoking by the Indians. The Desert Lily is perhaps the most beautiful of our flowers and is only found in the Desert country. The bulbs are deep in the ground, sometimes as much as two feet, and the flowers are not produced in unfavorable seasons. This year they are reported to be very numerous. On the board will be seen very good photographs of the Desert Lily by Stephen Willard. The so-called Joint Fir, Ephedra, is a very primitive sort of plant, of which species are found on both sides of the world. The stems contain tannin and

Membership Rolls of Village C. of C. At 182 This Week

Since the annual meeting of the Chamber of Commerce on April 4, 16 more have joined the organization, Walter Kofeldt, executive secretary, said Tuesday.

On the eve of the annual meeting, Kofeldt had boosted the membership to 166, a gain of more than 100 since he took over.

Total membership Tuesday noon was 182.

\$294 Sent to Aid Chinese Children By Village Church

From Palm Springs this week a check for \$294 went forward to Madame Chiang Kai-Shek, wife of the Chinese generalissimo, to help her with her work among refugee Chinese children.

It was the Sunday morning offering at the Community church which, on Easter day, turned the entire collection over to this humanitarian effort.

Bill Hay And Wife End Vacation Here

Mr. and Mrs. Bill Hay regretfully left the Village last Sunday after several weeks of vacation in the desert.

Mr. Hay, who conducts a daily broadcast over the Mutual chain, lengthened his stay here to be able to take part in the Easter dawn service last Sunday.

were boiled by the Indians to make a sort of tea, which was considered to have medicinal virtues.

The Ocotillo, with its long thorny stems, is not a cactus. It produces very beautiful red flowers, and it has been a custom of the people at Borego, in San Diego County, to have an Ocotillo day, when visitors would come from over the range to see these and other flowers, and have a little celebration.

The Bigelow Mimulus, a little plant with rather large, purplish-red flowers, more or less yellow in the throat, is common in sandy places. It is named after Dr. John M. Bigelow, who collected in California at the time of the Pacific Railroad Survey, ninety years ago. Many new plants were discovered by him.

These, and many other flowers, we hope will interest visitors, and make them wish to see them growing.

We are greatly indebted to various friends who have brought flowers to the Museum. In picking flowers it is well to remember not to take more than a few of each kind, and not to pull them up by the roots. They should be taken some distance from the highway. Flowers brought to the Museum will be identified, and visitors will be shown books on California botany.

Don't monkey with them, men. A Nevada workman who chucked a girl under the chin got knocked down with a monkey wrench.

GREAT IS MY GRATITUDE

Palm Springs, California,
April 10, 1944

I wish to take this opportunity of publicly expressing the profound gratitude of my wife, son and myself for the instant and humanitarian response of Governor Earl Warren to the appeal made to him by Dr. R. J. Vallier by telephone and to Sheriff C. F. Rayburn and his self-sacrificing posse, to the U. S. 21st Ferrying Command under orders of Col. Richard D. Morgan; also to Mr. and Mrs. John Day, Mountain Scout Jim Maynard, Rev. J. R. Macartney, Dee Branlow, Ernest Freshing, Mrs. Hillman, Miss Parker, and other kind persons, all given in the concerted search for my 11-year-old son, Timmy, and myself while we were lost and near disaster in the wilderness of the San Jacinto Mountains.

Sports

Palm Springs High Track Team Close to Top In Contest

Palm Springs high field and cinder-path men placed a comfortable second in a four-cornered track and field meet at Redlands high Wednesday, with 20 athletes from the local institution making the trip.

The final score in varsity competition was:

Redlands high—76½.
Palm Springs—33.
Beaumont—10½.
Banning—8.

In the B class events, Banning wound up on top with 46 points, Redlands next with 31½, Palm Springs third with 22½ and Beaumont fourth with 20.

Joe Sandeff broke the school 880 mark, turning the half-mile in 2m., 10s, and Jerry Tracey negotiating the 220 low sticks in 28s.

Sandeff also picked up third place points in the furlong while Tracey also won the high jump at 5 feet, 6 inches, and added digits in the shot put and broad jump, in each of which he placed third. Hickey, third and Bragg, fourth, picked up points in the quarter, Bell had a second in the 220, Morrison a third in the mile, and Karukiff a fourth in the broad jump.

The English language contains about 700,000 words in good repute.

For Essential Transportation — Yellow Cabs. Phone 4444.

I have to change my ad. Sales require it.

In Cathedral City the best buy now, the three dwellings for \$6900, and the 180 feet of Highway frontage for \$3750. Down the road five miles is that ranch for maybe \$11,000, and right near it, 80 acres minus for about the same price. You'll be sorry.

Three Teams Tied For Leadership in Air Base League

A three-way tie prevailed in the Palm Springs Army Air Base bowling loop this week with Post Engineers, Officers' Mess and 21st Medics at the top as result of clean sweeps in matches so far.

The strong Officer A team, touted as a championship possibility, featured in the biggest upset of the week falling 3 to 1 before the 1270th Guard which went into fourth place as a result.

Teams bowl every Monday night at the Palm Springs Bowling Academy.

12 Softball Teams Swing Into Play In Spring League

Two softball leagues got under way at the Field Club this week with fast action on each night of play.

On the opening night, four teams in the air base intra-post league clashed with the 723rd Band defeating the 21st Quartermaster team, 16 to 5 and the Headquarters Enlisted Men losing to the 72nd Officers, 7-10. In the latter game the teams were tied up 7-7 and Ballard homered with two on to make it 10 to 7.

Teams in the Palm Springs league played the next night with Torney Enlisted Men winning from Torney Officers, 20 to 5. Leslie of the EM's, held the Officers to 3 hits. In the other game, the 21st Enlisted Men won from 21st Officers, 7 to 0, Cartwright of the EM's holding his opponents to one lone hit.

Another air base league game was played last night with the 72nd EM's winning 8 to 5 over the 73rd Officers, in a snappy game.

Tim Donovan of the 459th was in form last night and held the 72nd EM's to one hit and one run in winning 16 to 1.

Racquet Club Net Team Wins Match

Joe Sawyer, tennis pro at the Racquet club, got together a classy team of netters the other day and took on the officers from Torney General Hospital in matches on the club courts. The Racquet clubbers won 6 to 2.

With Sawyer on the club team were Paul Lukas, Charles Ewart, Victor Fotre, Mel Gallagher, C. Nast and James Agen.

South American Policy Topic of Next Global Talk

"Our South American Policy" will be the topic at the next Global Gab session staged by service men from the army air base and Torney General Hospital at the Fiesta House at the Desert Inn, it was announced this week following a highly successful session Wednesday night.

Pfc. Edward Schoening will be the speaker. He is stationed at the air base. Chairman of the meeting will be Miss Elliott Thomas, civilian employee at Torney. Pvt. Andrew Horn of Torney will also speak.

The meeting is open to the public and refreshments will be served.

The Global Gab sessions were started by the USO last fall and have proven so successful they have been continued at the Fiesta House, donated for the Wednesday evening meetings, by the Desert Inn management.

Sgt. Bonner Wins Title In Air Base Golf Tournament

A new pair of golf shoes and a \$25 war bond, plus the title of champion golfer of the 21st Ferrying Group headquarters here, were in the possession of Master Sergeant Bill Bonner of the 459th squadron today as result of his prowess on the fairways and greens.

Sgt. Bonner holed out on the 35th green to defeat Major Frank P. Thornquest, pilot and deputy commander of the post, 3 and 1 in the first annual 21st Ferrying Group golf tournament, played on the Desert Golf course.

It was a nip and tuck battle throughout with the major holding the edge in the morning round. The close battle continued on the afternoon 18 and Sgt. Bonner pulled up even at the 27th. He took the 28th to go one up and took the 4th to go two up.

Sgt. Bonner scored a 73 on the first 18 and a 71 on the final round for a total of 144. Major Thornquest had a 70 in the morning and a 77 in the afternoon for 147.

Sgt. Bonner defeated Capt. Maurice Conn in the semi-finals and Major Thornquest reached the finals by eliminating Lt. Joseph Caraway.

Hospital Baseball Team Wins Baffest From Thermal Nine

Torney hardball team shellacked the 125th Liaison Squadron of Thermal Air Base by a convincing 9-2 count last week on the hospital athletic field.

The Air Base nine never got off the ground as Marvin and Meyers, who shared the pitching chore for the locals, held the opposition to one safe bingle.

The hospital crew collected seven hits, four in the big fifth inning in which they crossed the plate six times before the side was retired.

Nosick wielded the big stick for the locals, accounting for a double and a four-bagger, the latter in the memorable fifth.

Hulse, Hphges and Booth helped the cause with timely hits, several for extra bases.

Score by innings:
Thermal 0 0 2 0 0 0 0—2
Torney 2 1 0 2 6 0 x—9

Ask For Absentee Voters Blanks Now, Villagers Advised

Voters were reminded this week that the deadline for applications for Absentee Voters ballots falls on May 11 and that the application forms, properly filled out, must be in the hands of County Clerk G. A. Pequegnat at Riverside court house on that day.

Application forms may be obtained at the city hall or at the Phil Boyd for Assembly headquarters, in the display room of the Desert Inn garage.

All who are going to be away from their home precinct on that day are urged to apply for an Absentee Voters ballot at once, Ray Cree of the Boyd Committee, said today.

Miss Crockett And Friend Guests Here

Miss Donna Crockett and a friend, Miss Margaret Lynn, were weekend guests at the home of Miss Crockett's parents, Mr. and Mrs. Merrill Crockett.

Both are attending the University of Southern California where Miss Crockett is majoring in pharmacy.

It is neither necessary or possible to occupy Japan for any length of time after her defeat. All that is necessary is to defeat her thoroughly and then deprive her of her territories. — Professor Nathaniel Peffer of Columbia University.

The libraries of Yale university comprise more than 3,180,000 books.

Cathedral City

W. R. HILLERY

Many military men upon their retirement have enriched this country with their ability by entering upon duties in civil life. We know that many educators have done the same. A striking demonstration of this in our community is the work of Professor James W. Kyle. The amazing energy of the man in our community gain. He does not sit back and enjoy a tough job completed but immediately plunges into another. This week he modestly made a report of what is being done to beautify our village, giving all credit to those who assisted him.

In 1941 the Woman's club planted a very fine specimen of Washingtonia fan palm in the triangle bounded by the highway, A street and Encelia lane. A nice ceremony was made of the planting and the palm was christened "Friendship," and one of those taking part was Paul Harris, founder of Rotary International, who was living in our village that winter. Water was furnished the palm, first, by Mr. and Mrs. J. Jacobsen and later by Jas. Randall when Mr. Randall purchased the adjacent property but it was necessary to string hose out across the street intersections.

Last week with Mayor Jas. K. Wolseth, the new president of our chamber of commerce, assisted by H. E. Peterson, who heads the park committee and Mr. Kyle, the work of bringing water to the triangle from the Randall property was begun. Now, when dirt begins to fly, you either walk into work or you circle the block to avoid it; and the following did not circle the block but pitched in to make the job a success. Homer Gould stopped working on his new house long enough to donate some water pipe and, when it was found not enough, Dr. Leon M. Wilbur took the Mayor to Palm Springs and purchased the additional pipe and fittings. Walter Bunker, who is ever ready to lend a hand on community work, came down and with his tools went to work. L. W. Hypes and M. C. Seeman, guests of the Wolseths, did their share and are cordially invited to make their home in Cathedral City. Their demonstration was excellent. Another who always lends a hand is C. M. Gephart and he did just that.

With ample water for the palm, the plan is to put in a curb to the triangle and plant many shrubs and flowers. Good earth and border rocks are needed to make the spot most beautiful. Volunteers to transport material are requested or in lieu of it a donation is acceptable. Directly across the street and in front of Mrs. J. J. Groves property is a larger piece of unused street area which it is planned to beautify. Plans to acquire a large piece of ground suitable for a recreation field have not been completed as yet.

Under the handicap of war conditions, it is quite a feat to be building anything; but, in addition to the Hine dwelling, you see Homer Gould working on one and Horace Allsberry doing likewise; it is cheering. Then lately W. L. Jordan arranged the sale of lot 157 to Fred G. Dalstrom and wife. H. E. Colglazier reports the sale of a half acre, which adjoins Capt. Andrew Ryans place, to that gentleman. H. E. Peterson reports the purchase of a quarter section adjoining his Desert Cove Ranch on the north and C. S. Cobb and W. R. Hillery have acquired section three which corners on the section upon which this village is located. What use is to be made of these parcels I do not know but I rather imagine Claude and I will be on the market for a species of goat that does not require feed or water as most of the section is composed of beautiful mountains.

The biggest news this week is the purchase by Mr. and Mrs. Raymond G. Potter of the Cathedral Grocery property and business from James and Etta Herra. Jim is slated for military service and we are surely sorry to lose his cheerful smile from the store

which they only recently purchased from the Cobbs. We hope we don't lose the Herras entirely and we do welcome the Potters. Mr. Potter was recently discharged from the service for disability.

Miss Miriam Klaniecka though none too well, has returned to her desert home.

Capt. Charles S. Gelbert, medical officer, who has had his wife and daughter, Nancy, residing in our village, saw his family off recently on the Golden State Limited for Lynchburg, Va., their former home. Their departure allowed William C. Wilkes to move in to his home which the Gelberts had been occupying.

Mr. Wilkes will enjoy home life when his daughter, Evelyn, and grandson, Bob, arrive soon from their home across San Francisco Bay.

In his quiet way, Mr. Wilkes has been doing a grand job in managing the sanitation problem of our community and the fact that so few complaints come in is a fine testimonial. For if ever there is a difficult problem in any community, it is sanitation.

I think next week I'll put in a plug for Phil Boyd but maybe I'll use my advertising space for the purpose. I'm not in doubt about doing it, but I have been plagued for having signed as a sponsor of another candidate before I knew Phil was to run, and now, that I have been honorably released from that sponsorship, I can pull for a very able neighbor.

Then I would like to tell you something about Dewey Metzdorf who has just purchased the Oasis Hotel cafe in Palm Springs. I will later. And another subject that we should be greatly interested in is the proposed Palm Springs Community Hospital and there is a story for it.

T-Sgt. Richard Craig of the Coast Artillery is visiting his parents, Mr. and Mrs. A. B. Craig. Richard reports his brother, Stanley, in Navy aviation, recently was on the east coast from his station in Brazil. Both boys were former Palm Springs high school students.

Drive For Books Begun By Library At Army Air Base

Books go to war too! They are a definite means of maintaining the high morale of service men and women who seek relaxation after hours of grueling, tiresome work.

The collection of books at the library of the 21st Ferrying Group at the air field here is far from complete and they are seeking to augment its selection which is at present inadequate for the constantly increasing number of its reading personnel.

Residents and visitors of Palm Springs have been more than generous in contributing to the many war drives which have made possible the purchase of the implements of war and the call has been sounded for help, by Miss Edith Shumaker, librarian.

Since February, she has constantly been adding to her selection. However, calls have been coming in to her for the current best-sellers, popular fiction, mysteries, adventure, travel, art, physics and medicine which her limited funds do not allow her to purchase.

Will you help? Have you finished that novel you started so long ago? Do you have a few extra books you were wondering what to do with? Why not drop them at the Police Station right near, on Palm Canyon Drive? Or, call Capt. Maurice H. Conn, Special Officer at the field (2272 Ext. 120) and he will see that they are picked up.

"I Rise to Remark"

By CONGRESSMAN JOHN PHILIPS

A short column this week.

I have been with the subcommittee of the House Committee on Agriculture, investigating guayule. Our Texas chairman gets us up for early starts and either drives us to the next location or holds evening hearings.

We have seen all the representative plantings of the 30,000 acres of guayule in California as well as the mills and the experimental laboratories.

The rubber director, Bradley Dewey, tells us definitely that the rubber situation is still acute. Starting with about 395,000 tons in the reserve stock pile of natural rubber, we are now below 100,000 tons and still must use live rubber in larger truck tires

and other uses in spite of advances in the synthetic processes.

California's much discussed guayule project still stands as our best protection against a lack of natural rubber in spite of justifiable criticism of the early policies of the government in starting the work here.

The committee's problem is, "Where do we go from here—and how?"

The committee consists of Congressmen W. R. Poage of Texas; Victor Wickersham of Oklahoma; Anton J. Johnson of Michigan; and myself. Starting in San Francisco we are now in San Diego and will continue through the Imperial Valley ending in Riverside on Tuesday, then back to Washington.

Drawback

Elihu Root was discussing, with J. B. Reynolds, Assistant Secretary of the Treasury, some matters concerning a trade conference in Paris, which Reynolds had been selected to attend.

"I suppose," said Root, "you speak French?"

"A little," said Reynolds. "I have no trouble making myself understood by cab drivers and headwaiters."

"I see," replied Root, "but suppose there should be no cab drivers or headwaiters at the conference?"—Milwaukee Journal.

It's wise to apologize to a man if you're wrong and to a woman if you're right.

Little Imitators

A Viennese mother came home and could not find her children. Looking into the bedroom, she found the carpet bulging up and four feet sticking out. There was another mound in the middle, which proved to be caused by a suitcase.

More relieved than angry, the mother asked the children what they were doing.

"We are playing at daddy listening to the B. B. C.," was the reply.—Daily Telegraph.

It takes about 12 hours to work out your income tax—and find out you know less than you did 12 hours ago.

VILLAGER PRO TEM—Janet Blair, star of several Columbia screen hits, who has been spending a large part of the season here. (Photo by Bernard of Hollywood)

Janet Blair, Star of Films, Among Village Visitors

Among the prominent members of the motion picture colony in Palm Springs this season is Janet Blair, star of several recent screen hits, who spent much of the winter at the Estrella Villas. She recently returned to Hollywood but will be back in a few days for more rest and desert relaxation.

Featured in "My Sister Eileen," she has just completed "Once Upon A Time," with Cary Grant and is now working in "Tonight and Every Night."

The featured Columbia actress thoroughly enjoyed her stay in the Village and plans to make the most of the rest of the season here.

National Leader in Youth Problems To Speak Tuesday

Oscar S. Kirkham of Salt Lake City, regional deputy Scout executive, and internationally known youth leader, will speak at the Banning auditorium at 8 p. m. next Tuesday evening, April 18, under the sponsorship of the Lions Club and an invitation has been extended Palm Springs Lions, many of whom will attend, and other Villagers interested in youth problems to attend.

Kirkham's contacts in many countries and with many youth groups is quite unusual. Before the beginning of World War II he was one of the six persons in as many nations asked to program events in the Boy Scout movement throughout the world. This group was presented to Queen Wilhelmina when they were in Holland. He has attended five world jamborees in the capacity of chief morale officer of the American contingent; in London in 1920; France, 1924; Arrow Park, Birkenhead, England, 1928; Holland, 1932; and Goodello, Hungary, 1936. On these jamborees he led groups of Scouts into practically every country in Europe and the British Isles.

Kirkham entered Scouting as Scout executive of the Salt Lake Council in 1914 and later became deputy regional Scout executive of Region 12 which includes Utah, Arizona, Nevada, California and Hawaii.

Kirkham is an active leader in the Church of Jesus Christ, Latter Day Saints and the church has honored him by naming him one of the First Seven Presidents of the Council of Seventy.

Six Permits Send Year's Building Total to \$28,772

Six building permits were issued by the department of public works during the past week for a total value of \$3574. In April, to date, seven permits, valued at \$3974, have been issued.

Total building for the year up to yesterday now amounts to \$28,772, involving 64 permits.

This week's building: April 8—Eleanor Linn, 458 West Arenas, repairs, \$250; Barbara Sarup, 278 Athol street, repairs, \$100.

April 10—James Mason, 245 Avenida Hokona, addition, \$100; J. J. Nieto, 1520 East San Jacinto way, residence, \$2,500.

April 12—Palm Springs Hotel (Margaret Foldes), 257 North Palm Canyon drive, repairs, \$210; W. W. Greer, 255 Lugo road, repairs, \$414.

Another Shoe Stamp to Be Good May 1

Stamp No. 2 on the Airplane sheet in Ration Book 3 will be good for one pair of shoes after May 1. Stamp 18 in Book 1, expires on April 30, ending the life of the first ration book issued.

Like Stamp No. 1 on the Airplane sheet, no expiration date has been set for Stamp No. 2 and the OPA declared that ample notice would be given before it was declared invalid.

MORE ABOUT . . .

Air Lines . . .

ways application to serve the Village along with several other California cities has been set by the CAB for April 29. The Southwest Airways plan contemplates feeder service for mail, passenger and express traffic with main trunk lines.

QUERY RECEIVED

T. M. Miller of the research department of the Chicago and Southern Air Lines, main offices at Memphis, Tenn., recently wrote Kofeldt asking for full information on landing facilities here and for other facts on traffic conditions. Kofeldt's reply was complete, listing airport and other data.

While no concrete inquiry has been made by United, it is reported representatives of that line have been in the Village surveying the situation and making a study of possible traffic here.

Granddaughter of Famed Man of War Frolics On Desert

A granddaughter of the famous Man of War, who still draws thousands of visitors annually at the Samuel Riddle farm near Lexington, Ky., was foaled the night before Easter out at the Bryce's Rancho in Araby and the little miss and her mother, a Man of War mare, are doing fine.

The beautiful chestnut filly was sired by Raslet, a grey son of the famous Arabian Raslyn. The Palm Springs sun is putting plenty of kick in the white heels of "Easter Eve" who, besides her famous maternal grandsire, Man of War, has an equally famous paternal grandsire, Saslyn, still standing near Pomona.

The Bryces also have a lovely yearling line-bred "Brig-a-Doon," whose ancestry goes back to St. Simon and Bend Or. In July the Bryces are expecting another Raslet colt from a "Son-in-Law" mare. For those not in the know, "Son-in-Law" was top sire in England for three consecutive years.

MORE ABOUT . . .

Paper Drive . . .

the bales of paper are loaded in and taken to Mr. Illick's place.

The pupils have been gathering the waste paper, taking it to the school, baling it and then seeing that it is sent to its destination. Monitors from each of the ten rooms at the school see to it that all waste baskets are emptied into the baler. Baling wire is given the school by the local stables.

At the Nellie N. Coffman school, three youngsters took the waste paper project upon themselves and have been scouring the city for waste paper, baling it and taking it to the store house. They are Donald DuBose, Nancy DuBose and Kenneth Youngs. The latter prevails upon his father, Gordon Youngs, to haul the paper away in his truck.

GATHER TWO TONS

Since they started this drive, almost on their own initiative, they have gathered two tons of paper. When the recent rest camp at the Field Club was evacuated, many magazines and papers were left behind. The three youngsters made quite a haul there in their waste paper drive.

Chief of Police Lyle J. Sanard, Scoutmaster for the local Scout troop, is planning to turn his Scouts loose on a paper drive soon and is conferring with Miss Finchy on plans to use the school's equipment and on plans of operation.

Roger Van Vleet Is Married to Montana Girl

Miss Ruth Spencer of Great Falls, Montana, became the bride of Roger Van Vleet in a ceremony performed April 5 at the First Baptist church in that city. No particulars of the wedding are known here.

The groom is the son of Mr. and Mrs. E. Van Vleet now of Banning but formerly residents of the Village and he graduated from Palm Springs high school. He is now attending the army air corps school in the Montana city.

A marriage license was issued in Riverside Wednesday to Rudolph Lopez, 20, and Amparo Garcia, 20, both of Palm Springs.

Being taken by surprise by the allied landing near Rome is nothing to how the Germans are going to be taken later on.

The Russians aren't boasting much about their successes. They're satisfied to keep their traps shut—on the Germans.

American soldiers make the best of things—and are entitled to get the same. Buy more war bonds!

AT THE PLAZA—Ginger Rogers is starred in one of her most impressive roles in "Tender Comrade," a touching and timely picture with Robert Ryan and Ruth Hussey, to be shown at the Plaza theater starting next Wednesday.

LEGAL NOTICES

CERTIFICATE OF FICTITIOUS NAME

Notice is hereby given that the undersigned is conducting a drug, sundry and fountain business in the city of Palm Springs, County of Riverside, State of California, under the fictitious name of Desert Drug Company and that his full name and place of residence are as follows: BERNIE C. MARTIN, 3335 East Ocean Avenue, Long Beach, California.

Dated: March 29, 1944.

NEW "HORNS" FOR THE BUFFALO

"Water Buffalo" amphibious tanks, made by Food Machinery Corporation, now carry 37 mm cannon and several machine guns as extra "horns" to gore the enemy. These tanks, used by the Marines and Army, can travel and fight equally well on land or sea. Above is night firing, showing the cannon shell, heavy line in center; and machine guns, lighter lines. Top is "Buffalo" at sea.

Woe unto them that seek deep to hide their counsel from the Lord, and their works are in the dark, and they say, who seeth us? and who knoweth us? — Isaiah 29:15.

CHRISTIAN SCIENCE CHURCHES
"I am not alone, because the Father is with me. . . In the world ye shall have tribulation: but be of good cheer; I have overcome the world." These declarations of Jesus, from John's Gospel will be the Golden Text in the Sunday Lesson-Sermon on "Doctrine of Atonement" in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston.
In his first epistle Peter writes, "Blessed be the God and Father of our Lord Jesus Christ, which according to his abundant mercy hath begotten us again unto a lively hope by the resurrection of Jesus Christ from the dead. To an inheritance incorruptible, and undefiled, and that fadeth not away. . . Who verily was foreordained before the foundation of the world, but was manifested in these last times for you, Who by him do believe in God, that raised him up from the dead, and gave him glory; that your faith and hope might be in God."
In "Science and Health with Key to the Scriptures" Mary Baker Eddy says, "Is it not a species of infidelity to believe that so great a work as the Messiah's was done for himself or for God, who needed no help from Jesus' example to preserve the eternal harmony? But mortals did need this help, and Jesus pointed the way for them."

Dr. Macartney At Presbytery Rally
Dr. J. R. Macartney, pastor of the Community Church, was in Ontario last Tuesday to attend a meeting of the Riverside Presbytery.
He was elected a commissioner to the General Assembly of the Presbyterian church which will meet in Chicago in May.

Community Church Services Continue

3 Congregations Fill St. Paul's At Easter Services

Three large congregations helped make Easter a glad and joyous day at St. Paul's in the Desert, Episcopal church, the Rev. Robert M. Hogarth, vicar, reported this week. It was the second Easter observed in the new church edifice.

In addition to the usual Easter hymns, the large choir sang the full choral communion of which the most beautiful parts were Sanctus, Benedictus and Agnus Dei, from Gounod's St. Cecilia Mass; the Creed and Gloria in Excelsis from Berthold Tours in F harmony. Miss Eileen Carey accompanied both renditions at the organ. In the choir were Cpl. Richard Tipping, tenor soloist and director, S/Sgt. Eussell H. Genich, baritone; Leslie Hinton, soprano, Mildred Welch Wagner, alto; Sam Hinton and the ever faithful junior members of the choir, Bob Fern and Eric Liebenow, acted as acolytes at the early service, Billy Carey, Bob Hoover and Gillard Boyd at the later services. Billy Chaffey was crucifer.

At 4:30 in the afternoon, the Children's Easter festival was held with the junior choir in new vestments singing their first Easter service. Bud Hoover was proud to act as crucifer for this service and for the month of April.

A solemn procession of the choir led the children to the altar to build their Easter cross with mite boxes bulging with coins, their sacrifice gifts and savings for less fortunate children.

GRADUATES—Col A. B. Jones presents certificates to first Nurse's Aide class ever trained at a military hospital at exercises at Torney General Hospital last Saturday.

1500 On Hillside to Greet Dawn of Easter Morning

With a perfect desert day for a setting, balmy, calm, almost cloudless, though one bank of clouds on the eastern horizon enhanced the beauty of the sunrise, a great throng of 1,500 persons gathered on the hillside back of the Desert Inn Sunday morning to take part in the Easter Dawn service.

As the sun peeped over the horizon between two of the eastern hills, a bugle sounded, white pigeons were released and circled over the multitude before darting off in various directions for their homes in Ontario, Fontana, Los Angeles and Redlands, and the service was underway.

IMPRESSIVE PROGRAM

There was music by the Redlands University choir, the familiar voice of Bill Hay as he read Bible selections, Chaplains Pearson and Martin, aiding in the services, solos by Alvin Brubacher, a brief message, then the service was climaxed by the colorful reconsecration of the white cross on the hillside. Ten young women of the Chapel choir knelt by twos as they placed lillies at the foot of the emblem of the Christian religion.

The visiting musicians, the Chapel choir, Boy Scouts and their Scoutmaster, Chief of Police Lyle J. Sanard, Mrs. Holly Lash Visel, musical director and Mrs. Lois Lux, accompanist, were breakfast guests at the Desert Inn after the services.

VOICES THANKS

Dr. J. R. Macartney, pastor of the Community church which sponsors the annual event, expressed his thanks to all who aided in the outstanding service and especially to Mrs. Nellie N. Coffman, originator of the Easter Dawn service here and who was absent for the first time.

Easter Services to Be Repeated At Episcopal Church

Next Sunday, April 16, is the Octave of Easter and at St. Paul's in the Desert, Episcopal church, the vicar, the Rev. Robert M. Hogarth, will preach another Easter sermon, "Risen Life."

The special Sunday services of Easter will be repeated in part, so that all who could not make their communions last Sunday because of the throngs, may do so, said the vicar.

Sunday School to Picnic April 22

Annual Sunday School picnic for children of the Community Church will be held Saturday, April 22, at the Desert Inn Mashie Court, it was announced this week.

St. Paul's Guild to Meet April 25

Next meeting of St. Paul's in the Desert, Episcopal church, Guild will be held Tuesday, April 25, at 10:30 a. m. at the home of Mrs. J. S. Hobson, 429 Camino del Sur, Miss Helen A. McCallum, secretary, announced this week.

Alvin Brubacher, soloist at the Easter Sunrise service, and Mrs. Brubacher were week end guests of Dr. and Mrs. J. R. Macartney at the Community church manse.

First Nurse's Aides Class, Trained At Military Hospital, Graduated At Impressive Ceremonies At Torney

"I pledge myself, in the presence of those assembled to give my service with courage . . . and to devote myself to the welfare of those committed to my care" — repeating this pledge 23 Palm Springs women accepted responsibilities of the most exacting of all Red Cross Volunteer Services, Saturday evening, April 8, when they received certificates as Red Cross Volunteer Nurse's Aides in an impressive ceremony at Torney General Hospital.

Members of the class, first of its kind to be completely trained, and graduated in a military installation on the Pacific Coast were capped by their instructor, Mrs. Maurice A. Selinger, member of the Red Cross Nurse Corps and wife of Col. Selinger, chief of the Medical Service at Torney.

DUTIES OUTLINED

Introductory remarks on the aims and responsibilities of the Volunteer Nurse's Aides were made by Miss Mary Ellen Pangle, manager of the Riverside County Chapter of the American Red Cross.

Lt. Col. E. T. Thompson, executive officer of the hospital in his address to the graduates said in part: "In the days to come your service will be that of administering to the sick, the injured, the maimed, and to those who live and journey in the dark, both mentally and physically. You will see, and hear, and feel and smell unpleasantness, and your only reward will be the eyes, expressive of pain which will follow you as you come and go. You may even look upon death, tragic and grievous as death may seem at the time and through such instrumentality may learn the insignificance of man and the omnipotence of God. The quantity of your service is prescribed—the quality is in your hands and yours alone."

TO BE CONGRATULATED

"You are to be congratulated, not only for the completion of the course, but for the desire, the will and the determination to dedicate part of your daily life to service to the sick and injured."

Presentation of certificates was made by Mrs. Edith D'Eliseu, chairman of the Riverside County Chapter ARC, and pins were awarded by Mrs. Elbert H. Brock, chairman of the Volunteer Nurse's Aides of Palm Springs.

Miss Vera Wilkeson, Field Director of the American Red Cross at Torney General Hospital, presented the class to Col. A. B. Jones, Commanding Officer of the Hospital, who, during his acceptance remarks read a letter of appreciation to the graduates from patients to whom they administered while receiving ward training.

HONORS PRESENTED

When graduates had been accepted for service, Mrs. Donald Fullerton, chairman of the Riverside County Nurse's Aide Corps, presented graduate aides who have already given months of service, and Captain Edna Traeger, Chief of Nurses at Torney, awarded 150 hour service stripes to Mrs. Nancy Dollar, Mrs. Doro-

thy Stein and Mrs. Margaret F. Walker.

Graduates who included eight Army and two Navy wives were Mrs. Benjamin Anderson, wife of Lt. Anderson, Medical Corps, USNR, now in the central Pacific; Mrs. Jonathan Anderson, wife of Major General Anderson, Camp Young; Mrs. Leo Baker, Mrs. William R. Bentley, wife of Captain Bentley overseas with the Army Medical Corps; Mrs. John F. Benson, wife of Lt. Benson, serving with the Navy in the Southwest Pacific; Mrs. Roderick Burnham, Mrs. Robert H. Cutler, wife of Lt. Cutler serving with the Army Transportation Corps in the European Theater.

Mrs. LeRoy A. Davis, wife of Lt. Col. Davis with the Army in the European Theater; Mrs. Jack Hall, wife of 2nd Lt. Hall, European Theater; Mrs. George E. Howard, Mrs. Leone H. Imman, Mrs. Charles Morin, wife of 2nd Lt. Morin, Camp Young; Mrs. Ralph J. Mills, Mrs. James H. O'Reilly, wife of Col. O'Reilly who has just returned from the Aleutian Theater where he was in command of the Pribilof Islands; Mrs. Howard W. Read, wife of Major Read, Camp Young; Mrs. Stanley E. Schreiber, wife of 1st Lt. Schreiber with the Army Air Corps in the Pacific Theater; Mrs. Millie C. Spencer and the Misses Mary Bulkley, Ann Mitchell, Ora D. White, Caroline Malinowski and the Misses Barbara Knowles and Martha McCann who are now enrolled at Stanford University for a 5-year Nurse's Training Course.

RECEIVE STRIPES

Gray Ladies who received first year service stripes from Mrs. Philip L. Boyd, chairman of the Hospital and Recreation Corps of the Palm Springs Red Cross were Mmes. Frank Camp, Ernest D. Garland, Raymond Knowles, Harrison Leussler, Beatty McCullough, Lloyd Simon, Irving Snyder, Henry Weinberger and Miss Gladys McClure who were present for the ceremony and Mmes. Earl Hoover, C. C. Neel, John Wheeler and Miss Beatrice Nicoll.

They Like to Read Overseas—So Sorum Sees That They Do

They like to read during their spare time in overseas service. Therefore, Ray Sorum, city manager, has subscribed to news magazines, digests and other periodicals—and The Desert Sun—for his son, Ray Sorum, QM 3/c, U. S. N., now in the Pacific area.

In a letter from the war area to his father, Sailor Sorum expressed great appreciation for the reading matter and the news from home—and also for a batch of cookies his mother sent him.

A fool despiseth his father's instruction: but he that regardeth reproof is prudent.—Proverbs 15:5.

Los Compadres to Ride Sunday, Plan For Four-Day Trek

Los Compadres club will go on another breakfast ride Sunday morning, the destination being a spot about a mile east of Araby point.

Riders will leave the stables at 7 a. m. and breakfast will be ready at 8:30. During breakfast, plans for the four-day pack trip, to start April 30, will be discussed.

Because heavy snows have damaged the trails on the trip originally planned, Secretary Jimmy Cooper of the club said that some changes in itinerary had been made.

The ride will start early Sunday morning, on April 30, and Waterhole ranch is that day's destination. From Waterhole ranch the party will proceed to State Park at Idylwild. On the third day, Bunker's ranch will be reached and from Bunker's ranch the riders will come down through Palm Canyon on the fourth day.

It is a reverse edition of the 1942 trip which was highly successful. Secretary Cooper asks all who plan to make the pack trip notify him as soon as possible.

Ray Sorum Named Director on Board Of County Chamber

City Manager Ray Sorum received notice this week from County Clerk G. A. Pequegnat, that he had been appointed a director on the county Chamber of Commerce by the board of supervisors.

Mr. Sorum succeeds Mayor F. V. Shannon on the board, the latter having tendered his resignation.

The average life of an orange grove is from 35 to 50 years.

Paul K. Graham In Army Air Course At Yale University

Air Cadet Paul K. Graham, son of Mr. and Mrs. T. S. Graham of Palm Springs, has entered the Army air forces training command school at Yale University where he will undergo intensive training pointing toward his becoming a technical officer in photography with the rank of second lieutenant.

Courses he will take while stationed here will include the principles of photography, projection printing and assembling of mosaics, photo mission planning, aerial camera installation and maintenance, and laboratory organization and operation.

After being commissioned, Aviation Cadet Paul K. Graham will have command of a crew of enlisted men who have been trained at other Army Air Forces Training Command Schools as specialists in photography. With his crew he will be charged with the execution of all photographic assignments that the tactical outfit to which he may be attached demands.

TORNEY GENERAL HOSPITAL EVENTS

News of the Enlisted Men of the Medical and Quartermaster Detachments at Torney Army General Hospital, Palm Springs
By Pfc. Robert D. Price

EDDIE CANTOR PLEASURES PATIENTS AND PERSONNEL

Eddie Cantor, one of America's premier showmen, came to Torney last Wednesday afternoon and presented a show that will be long remembered by all those that were fortunate enough to be in the audience. Staged primarily for patients that were unable to attend the later broadcast, Cantor brought along Nora Martin, Cookie Fairchild, Bert Gordon and Laird Creager.

In the evening of the same day, Torney personnel and patients were honored guests of the regular weekly broadcast of the Cantor gang. With the Plaza Theater packed to the rafters, Cantor and Company put on a show that kept the all GI audience spellbound until the very end of the program.

ALL OF INTEREST

Pre-show antics by Cantor and his cast, and the preparations for the broadcast were interesting features of the evening.

Lovely Nora Martin, Cantor singing discovery, became the dream girl of hundreds of the assembled GIs, Harry Von Zell, announcer, was a refreshing revelation to most of the assembled audience.

GUEST IS HIT

The Mad Russian, Bert Gordon, capably filled his own spot and supported Cantor in most of the comedy skits of the evening. Laird Creager, portly movie mystery star, was the guest on the program and was judged an outstanding hit by audience reaction. Excellent musical accompaniments for the show were provided by Cookie Fairchild and his orchestra.

VISIT BY SCREEN STAR

The eyes of the patients of Torney General Hospital opened wide Thursday afternoon when Shirley Temple visited a number of the wards.

The child star, whom everybody remembers, has grown into an attractive and charming young lady, as all those men who saw her will agree. She spent the afternoon graciously signing autographs and talking to the patients and although many did not know her at first, her cheery "Hi" and well known smile soon brought on an appreciative look of recognition.

In the course of the conversations with the men, Shirley proudly told them of her two ser-

geant brothers, one being in the Army Air Corps, and the other in the Marine Air Corps.

Shirley is spending the Easter vacation with her mother at the Desert Inn, and she was brought to the hospital by Mrs. Behrend, who has been doing silhouettes of the patients as part of the Red Cross recreation program.

The young star just finished making a picture called "Since You Went Away," with Claudette Colbert, which is to be released in May.

PICK NEW OFFICERS

With the retiring T. G. H. Non-Commissioned Officers' club president, T/Sgt. Charles Tuttle, presiding, a new slate of officers was elected at a special meeting held last Monday evening, April 3.

Beating the other candidates to the tape was T/4 Ernest Piantanida who has served as a member of the junior board of governors this past club year. His election gives the Torney Non-Coms another jovial, well-liked, and conscientious club president who gives promise of leading the club to new heights.

S/Sgt. Forrest Graffice of the laboratory is repeating as club vice-president.

The treasurer berth went to T/4 Charles Singerman of the Registrar's office, and Sgt. Clifford Smith, personnel, will handle the club minutes as secretary.

The senior board of governors consists of M/Sgt. Ray White, registrar; First Sergeant Charles Tuttle, Enlisted Section, and T/3 Morbert Todd.

T/4 Roy B. McDaniels, Cpl. Bill Kelly, T/5 Frank Tripp comprise the new junior board of governors.

TORNEY OBSERVES SEASON

Opportunity for men of Jewish faith to observe the Feast of the Passover was arranged by Torney's Senior Chaplain, Lt. Col. George C. Pearson. Many towns in this vicinity held observations of this age-old feast and men of this post were granted passes to enable them to attend.

The Enlisted Section, SCU 1976, has also granted many three-day passes to men of this station of the Christian faith to enable them to be home over the Easter season.

TORNEY DEPT. MOVES

Torney's Occupational Therapy department has moved into new quarters the past week. Additional space requirements of the department, and a more centralized location, are responsible for the change in location of this new Torney facility.

The building formerly occupied by Ward F-2 has been refurbished and now adequately meets the needs of the department. The cottage occupied until this week by the department has been taken over by the Morale Services Branch.

PROGRAM GAINS

Objectives of the Reconditioning program were fully explained to personnel of Torney General Hospital this past week as the program gained momentum.

Increasingly larger turnouts of patients have been the rule during the past few days, and it is anticipated that its benefits will reach a great majority of patients each week from now on.

The program is directed toward all convalescent patients with the exception of those that are immediately post-operative, or are critically ill. It includes both physical and mental reconditioning.

Daily formations involving athletics, recreation, calisthenics, discussion groups, quiz programs, films, study groups, and craft classes are on the schedule.

RED CROSS PROGRAM

"Patiently Yours," the ward talent program, is scheduled to start this week. If you or anyone in your ward can sing, dance, act, or play an instrument let someone on the Red Cross recreation staff know about him. Be-

75 Are Listed On Honor Roll of Palm Springs High

BY TRUDY SAWYER

High School Snike Signals Staff

Seventy-five boys have entered military service from P. S. H. S. in the past three years. As the high school is a young school with a maximum enrollment so far of 200, this is considered a high total. Seventeen boys have gone into the service since graduation last year, and eight out of the junior and senior classes this school year.

The Honor Roll of the high school carries one gold star. Norval Kelley, former student, was killed in a plane crash in Denver, Colorado, January 24, 1943.

AWARDED HONORS

Ted Ashley, who attended school here in 1939, was wounded in action in the South Pacific and was awarded the Order of the Purple Heart last month.

The school Honor Roll is being inscribed by Max Vaucher. Not yet finished, it hangs in the school office. It will list, when complete, the names of each boy who has gone into the service and the branch of the service in which he is serving.

HONOR ROLL

Ashley, Ted, Army

sure your ward is represented in the big show, "Patiently Yours" to be held in the recreation hall April 17th.

BUILDING CHANGES

Extensive improvements have taken place during the week in the Red Cross Recreation Building. Under the jurisdiction of the Post Engineer, the building has undergone numerous physical and structural changes.

Two new exits have been provided for the main auditorium that should facilitate the handling of crowds leaving the room at the end of pictures, entertainments and lectures.

With the advent of warmer weather, the auditorium air conditioning system has been extended to include the rest of the building. This change should add much to the usability of the rooms during the coming months.

Colonel O'Reilly On Leave After 3 Years in Alaska

There was a re-union at the Deep Well ranch last weekend. Col. James O'Reilly arrived in the Village after three years of service in the Alaskan area, to rejoin his wife, Mrs. Edna O'Reilly, who has been making her home here during his absence at the front.

It was their first meeting in three years.

Mrs. O'Reilly is well known in the Village for her work with the USO, Dugout and more recently, the Mason's Servicemen's headquarters at the Desert Inn.

Villager Completes Training Course

Pvt. Don L. Raun, son of Mr. and Mrs. D. J. Raun of the Village has recently completed an extensive training course in radio mechanics at the army's technical school at Madison, Wis., and is now prepared to join a base operating group according to word from the school this week.

Jimmy Partridge Now Training In Navy

James S. Partridge, son of Mr. and Mrs. Frank Partridge, is now at the U. S. Navy training station at San Diego, starting his preliminary training work, according to word his father, well known Village photographer, received Monday.

He was inducted into the navy two weeks ago but given a 10-day leave before called to start training, and left last week for the base.

Sarah B. Shettler Sells Local Home To English Officer

Mrs. Sarah B. Shettler, a winter resident in the Village for some time, has sold her home at 420 Chino drive and returned to her Los Angeles home. With her husband, the late Reuben Shettler, she had spent many seasons here. The attractive home was purchased by Major and Mrs. Francis Hutchinson of Hollywood who plan to make it their Palm Springs winter headquarters. Major Hutchinson is a retired English army officer.

Old Time Western Dance Is Planned At "Desert Mill"

An old-time western dance will be presented next Tuesday, April 18, at the Desert Mill at Garnet, three and a half miles north on Indian avenue, Frank Broes, proprietor, announced this week. A famous old time western orchestra will provide the music.

Modern dances are staged each Wednesday and Saturday nights with a modern dance band at the Desert Mill.

The production of condensed and evaporated milk in the United States was over 4,000,000,000 pounds in 1941.

Palm Springs High "Open House" Will Be Held April 27

The traditional annual "Open House" day to be held at Palm Springs High April 27 comes at an appropriate date this year as April 24 to April 27 is American Public School Week.

The purpose of Open House is to give parents a chance to get acquainted with the faculty and to see how the school is run.

The doors will be opened to the parents at 7:30 p. m. Classrooms will be open, and in some cases exhibitions and demonstrations will be scheduled in the various school departments.

Entertainment will be provided in the form of a program in the auditorium beginning at 8:15 p. m. and continuing until 9:30 p. m. Besides some dramatic sketches, the band will play one number and the girls' glee club, under the direction of Miss Peggy Clarke, will sing three numbers.

Miss Mary Louise Gaylord's dramatics class will present the play "Happy Journey to Trenton," by Thornton Wilder, starring Artie Lee Butler, Harvey Gorcester, Joyce Maloof and Jerry Tracy.

The faculty extends a welcome to all parents and persons to attend Open House on April 27, starting at 7:30 p. m.

I don't know of a single Jap (plane) engine that isn't a basic swipe from one of our old models, though, of course, they may have copied some German models also. —Rear-Admiral Arthur W. Radford.

More Publicity Is Given P.S.H.S. Is Educational News

In the current issue (April number) of the Sierra Educational News, which has a circulation of twenty-five thousand, there appears an article and pictures of Palm Springs high school desert life. The story, written by Barbara Knowles, mid-term graduate of class of '44, is illustrated by pictures taken by Paul Summers' photography class.

"Cloudless blue skies . . . sand dunes shimmering in the September heat . . . the first fall showers and the smell of greasewood in the rain . . . sunny Christmas holidays on a desert floor walled in with sturdy snowcapped peaks . . . spring flowers carpeting the warm sand with splashes of purple and lavender and red . . . tropical May nights and a platinum moon. In such a setting," explains Barbara, "the students of Palm Springs high school go through a typical school year."

A book review "Teachers of Oz" written by Mrs. Kathryn Martin, teacher of English and American Problems at the high school, will appear in this month's issue of the "Clearing House Magazine."

"This article," said Mrs. Martin, "is a review of Fern Rives' book 'Friday, Thank God.' Published this summer, the book tells about the lives of teachers. This is the third of Mrs. Martin's articles to be published this year. It is written in a humorous style. Mrs. Martin is achieving a considerable reputation for being able to lighten and enliven the content of current periodical literature on educational subjects."

Carnival-Dance Scheduled Tonight At High School

"The carnival is coming to town!" Well, maybe not the traveling kind, but there will be a carnival dance held in the high school auditorium tonight at 8:30. The dance is to be sponsored by the Girls Athletic Association. The girls have promised a lot of fun for all.

The main event of the evening will be the election of a Carnival Queen. Candidates have been chosen from every class. They include: Helen Louise Williams, who will represent the Senior class; Babs Neel from the Juniors; Joanne Hookey from the Sophomore class and Marilyn Crockett who will represent the Freshmen.

Penny pitch, fortune telling, comic photos and other kinds of entertainment will be featured and will contribute to the realization of the carnival spirit. Cookies and punch will be served. Gay decorations will also help the students get into the right mood.

The popular Ferrying Command orchestra will provide the music for dancing throughout the evening.

Admission will be 55 stag and 75 a couple.

Palm Springs High School Smoke Signal

Requirements For Graduation Fixed By P.S.H.S. Board

After considerable discussion on the part of the high school Board of Trustees and the high school faculty concerning subject and course requirements, a joint statement has been published this week concerning these requirements.

The Board of Trustees at its meeting held this week gave final approval to the schedule of requirements which will go into effect at the beginning of the new school year. The schedule will be effective for all students except seniors who will graduate on or before May 25, 1945.

MORE DIFFICULT

Under the new plan students will find it more difficult to get through high school in less than a full four years. They will not be permitted to pile up more than an approved minimum of semester periods in laboratory subjects.

Their normal load will be four subjects plus physical education. In order to take more than four subjects they will be required to make at least "C" grades in all subjects taken. No student, hereafter, will have an opportunity to get through high school in less than four years unless he maintains a grade point average of B. New requirements have been set up concerning the number of years work needed to meet graduation demands in English, social studies, mathematics and science.

RULES ADOPTED

The subject and course requirements as adopted by the high school trustees and the faculty have been published as follows:

1. Students' normal load to be considered four subjects plus P. E.

2. Students may take five subjects plus P. E. so long as they maintain at least C grades in all subjects. (When a D or F is reported in any marking period that subject or some other subject must be dropped without credit for the current semester if it is a fifth subject exclusive of P. E.)

3. Two hundred semester credits are required for graduation, including 40 semester credits for physical education.

4. Students will not be permitted to graduate in less than eight semesters unless they have maintained a grade point average of at least 2. Grade point average to be worked out in accord with U. of C. formula.

LIST REQUIREMENTS

5. To graduate from Palm Springs high school a student must have: a minimum of three years of English if regular academic English is taken or four years of English if one or more non-academic English courses are taken (e. g. Basic English, Oral Expression, Journalism); one year of World History, one year of U. S. History and one semester of Civics; one year of high school mathematics; one year of biology, physical science, home-making, physics or chemistry; and four years of physical education.

6. Students may not present for graduation more than 40 semester periods in music, art, shop, or home-making, not more than 20 semester periods in mechanical drawing, and not more than 10 semester periods in office practice or library practice.

7. These regulations will become effective September 18, 1944 and will apply thereafter in their entirety to all students except those who will graduate on or before May 25, 1945.

Mr. and Mrs. Samuel Trinz, 265 South Lugo road, had as their house guests over the Easter week-end, Mr. and Mrs. Harry Cooper of Hollywood, Mrs. Sam Simon of Los Angeles, Dr. Robert Berns of Westwood and Capt. Michael Wills of Camp Haan.

Pay your telephone bill before the 30th and receive a discount.

GAZZOZIT

(By "CECIL")

Since your regular Gazzozit reporter is not with us this week I have taken over her duties of bringing you the latest "dirt."

Many a yokel discovered sand in his shoes and hay in his hair Friday morning after Art Jones' hay ride.

Features of the ride were falling off the wagon and getting stuck in the sand.

Art's date was none other than cute Mary Cornman. LUCKY MAN.

Gil Smith and John Outcault were on the ride with weekend guests Sandra Shearer and Bea Burroughs.

Barbara Knowles and "Mac" McCarn were seen around the old campus Thursday saying goodbye to faculty and friends. They are enrolled at Stanford.

Zeke Gallagher, basketball star, left Friday for North Dakota. Many were sorry to see him go, especially Barbara Emigh.

Not a little "action" was seen in Tuscany Friday night as many attended Fern's party. And some party it was. Everyone had a big time eating and dancing.

Nan and Don were seen together Friday night. Both were home for the Easter vacation.

Other couples seen Friday night were Audrey Collings with Colin Bragg, Carol Linde with J. B. Emigh, triple dating with Mary Abdun-Nur and Jim Dart.

Julie Martineau and Bobby Jones were also seen together.

Ask Bob Hann and Warner Moore where they found the cute girls they were out with Thursday night. (D. B.)

That well known couple, Harriet and Johnny Redding, will not be seen for a while. Harriet left Friday for her home in North Hollywood and Johnny had to report to his base Saturday.

Seen on the Tennis Club court over the weekend were Joe Burroughs (Bea's brother) and friend Dug Adams.

The Purcell girls, Polly and Caroline, were home for spring vacation.

Come Saturday night and another party, given by Gil Smith. "Old Timers" Martie Robinson, Lee Gilbert, Helene Hanbury, Jack Hoover and others were seen there renewing acquaintances according to P. S. H. S. custom.

Bob Hoover appeared in school Monday morning looking like a "Peeled onion" — What these "crews cuts" won't do for a guy.

Jim Liechti, Bob Belyea and Van Linkletter were seen in town on leave from the USN and MM.

Best wishes to Lt. and Mrs. J. H. Grant (Miss Clarke). We might add, Mrs. Grant, that you are very good at keeping a secret.

Mary Yoder and Donna Crockett were among the alumni back for the weekend.

This week there are two new students, Francis and Andrew Drury. Francis is a senior and Andrew is a sophomore.

No doubt you have heard about the G. A. A. and Girls' League carnival. It will be held Friday at 8:30 in the high school auditorium. This will be a novel affair for P. S. H. S. as it will consist of several concessions as well as dancing.

Your ticket stub can be deposited for your favorite candidate for Queen of the Carnival. One girl from each class has been nominated Helen Louise Williams, senior; Babs Neel, junior; Joanne Hookey, sophomore; and Marilyn Crockett, freshman.

Remember your presence can make one of these girls Queen of the Carnival. Prices will be 55¢ stag and 75¢ couples.

Your regular Gazzozit reporter will be back with you next week and until then this is 30 for this week.

May We Introduce

BY JO AND BOB

GIRL OF THE WEEK:

This week we spotlight another Junior girl. She was born in Chicago, Illinois, April 22, 1927. She has blonde hair, gray eyes, is 5 feet 6 inches tall and weighs 116 pounds.

Steak and ice cream are this girl's favorite foods. For soft drinks, lemonade is her favorite. Her favorite record is "Boogie Woogie" by Tommy Dorsey. Harry James is her favorite dance band.

When she gets out of school she would like to travel to Hawaii, Paris, and South America, she says. She has a love life, but says it is not for publication. (I wonder who it could be.) You will find her running around with Barbara Inman, Gloria Bruce and Helen Louise Williams.

Her favorite class is civics. Her favorite sport is horseback riding and her greatest ambition is to eat a meal without getting lipstick on the glass.

If you do not know this young lady by now, may we introduce — Sally Lockett.

BOY OF THE WEEK:

Attention all Sophomores! One of your fellow classmates makes the column this week.

This lad was born in San Benito, Texas, July 20, 1928. He has brown hair and brown eyes. Boy, is he an idol for tall women (oh, drool!) He stands 6' 1½" tall.

He dotes on roast beef, French fried potatoes, fresh peas and lime cokes.

Glenn Miller's arrangement of "Take the 'A' Train" is tops with him. He said he'd take Miller's music any day.

Being a little nose, I asked him about his love life. He blushed and finally told me she is a sophomore and a brunette. Blue seems to be his favorite color so I imagine this mysterious lady has blue eyes. He also added that she lives in South Carolina, but I've got my doubts about that.

When I asked him what he wanted to do after he graduated from high school he said, "West Point is my goal." His father is a Brigadier General, so I guess an army career is sort of natural.

He's been on the move all his life. He's lived in 12 states and traveled in 30. I finally popped the question, "How does Palm Springs compare with the other places you've lived in?" He says "It's better than some!" He really does like this school, but he thinks a couple of our teachers are slave drivers.

Mrs. Eisen's history class is the most fun, so he tells me. (Plug!)

He likes baseball and swimming. You'll find him palling around with two other well-known sophomores, Jim Dart and "Chic" (Tarzan) Vandagriff. I know all of you recognize this tall lad as — Ed Hickey.

Calendar For New School Year Gets Approval of Board

High school will start next fall on Monday, September 18, and the school year will end on May 25. So says the school calendar approved by the Board of Trustees at its regular April meeting held Tuesday evening.

The school year provides for 171 actual teaching days. There will be a Thanksgiving recess of two days, a Christmas holiday from December 25 to 29 inclusive, New Years Day off, and a holiday on Good Friday, March 30.

The calendar as adopted by the Board has been published as follows:

Holidays	Teaching Days
Sept.	10
October	22
Nov.	20
Dec.	20
Jan.	22
Feb.	20
March	21
April	21
May	19
Total Actual	171
Teaching Days	
School closes May 25.

High School Net Team to Vie With Redlands Saturday

Six boys who make up the high school tennis team will play the Redlands Tennis Team, Saturday, April 17, at Redlands.

In a tennis meeting yesterday, Mr. Max Vaucher, tennis coach, and his team made plans for the trip.

He reported that the boys on the tennis team are John Outcault, 1st; Joe Sandeffer, 2nd; Don McLearn, 3rd; John Ward, 4th; Bob Hoover, 5th and John Chaffey, 6th. But the line-up may be changed if the other four boys on the high school tennis ladder work up to sixth place or even farther.

A tennis player may challenge the man immediately above him. If he beats his opponent he moves up one position. In this way everyone has a chance to better his position.

Mr. Vaucher said, "I am sure this practice match at Redlands will help us a lot, and I know the boys will make a good showing."

The tennis team will play their league championship April 29 against Coachella, Banning and Beaumont.

duction wizard.

Charles Burket
Only Nominee For
Lions' President

Clarence Hyde, chairman of
the nominating committee of the
Palm Springs Lions Club, yester-
day reported recommendations of
his group upon which the club
will vote on April 27.

Charles Burket was the sole
nominee for president, Lloyd
Simon, first vice-president, Dr. E.
E. Oertel, second vice-president,
Dr. Frank Purcell, third vice-
president, Bill Veith, secretary,
Harold West, treasurer, Jim Shea,
tail-twister, Dr. O. B. McRory,
lion tamer, Gordon Peekings and
Charles Cruncleton, directors.
Holdover directors are Gordon
Nicholson and Seigel Raymond.
With the above officers they will
form the club's directorate.

Joe Henderson was in charge
of yesterday's program and staged
a truth or consequences program
that had all of the lions roaring
—with laughter. Jim Shea won
the prize when he deftly showed
the correct way of stepping into
and yanking up a girdle.

W. R. Hillery presided in the
absence of President Culver
Nichols.

Double Purpose Is
Served By Pupils
In Flower Study

Gaining valuable natural his-
tory knowledge and at the same
time keeping the Chamber of
Commerce supplied with desert
wild flowers, a group of sixth
graders at the Frances S. Stevens
school is busy on a wild flower
project under supervision of Miss
Jane Welcome, their teacher.

In the group are: Donna Mae
Sorum, Robert Sanders, Jean
Roberts, Shirley Matloff, Elaine
Roan, Lance Walker, Manuel
Velasquez, Frances Nash, Steven
Gnagy and Buddy Sale. Each day
they bring in samples of desert
wild flowers and study and class-
ify them. Then, the committee
decides which kind will be dis-
played and more of that kind are
gathered and taken to the Cham-
ber where they are arranged and
displayed.

So far, the pupils have brought
in and arranged displays of desert
dandelion, desert sunflower, in-
cense bush, desert mallow, hairy
saddle verbena, checker flower,
fiddle neck, Canterbury bells and
lupins.

Two Dead In Crash
of Army, Hay, Trucks

Leon Black, 50, of Los Angeles,
and Cpl. John Smith of the Cali-
fornia-Arizona maneuver area,
were killed in a spectacular
crash and fire on Highway 99,
near Thousand Palms, Tuesday
night, of a hay truck and an army
truck.

The hay truck, driven by
Frank Erro, Alhambra, was side-
swiped by the army truck, driven
by Cpl. Smith and burst into
flames. Black, who was asleep on
the truck, and Cpl. Smith were
burned to death.

Excitement Reigns
As Busy Bees Swarm

Guests at the exclusive Hotel
the Oasis were startled out of
their customary composure this
morning when bees, feeling the
urge of Spring, chose that loca-
tion to swarm.

Dignity was forgotten for the
nonce but the management soon
had the situation under control.

An entire nation—and especial-
ly the Army and Navy—eagerly
awaits your graduation. — Dr.
Gordon S. Watkins, UCLA, speak-
ing to graduating class.

PORTRAIT OF THE WEEK

By BERNARD
of Hollywood

Sun Siren . . . Lori Lee Bering . . . lovely daughter of Captain and
Mrs. Lee W. Bering, of the 21st Ferrying Group Air Base, Palm
Springs. A comparative newcomer to our Desert Resort, Miss Bering
has lived here for about a year. Is much interested in Marine Flyers
. . . her hobbies include archery, riding, tennis, books . . . and does
she love dancing. Hope you'll be here for a long time, Lori.

Sons, On Leave From Air And Sea Duty,
At McKinney Home For Easter Reunion

Lt. (j. g.) Willard McKinney, U. S. Maritime service, and family
of Long Beach. Lt. Ted McKinney of the ferrying command at Long
Beach and E. O. McKinney and family of Beaumont, were weekend
guests of their parents, Mr. and Mrs. O. S. McKinney, 634 South
Palm Canyon drive, their first home visit since Christmas and all
enjoyed their short stay on the desert and re-unions with old friends.

Friday evening, Mr. and Mrs.
O. S. McKinney entertained a
group of friends and their family
with a dinner at the La Cita. Af-
ter the dinner hour, all adjourned
to the home of Mrs. Charles Gra-
ham, 404 Camino del Sur where
Mrs. Graham showed beautiful
motion pictures of desert wild
flowers and desert views; also
pictures of pre-war fishing trips
off Hawaii and Oregon and Wash-
ington.

Those present were Mr. and
Mrs. George Shawver, Mr. and
Mrs. Rudie Harman, of Palm
Springs, Mr. and Mrs. J. Stewart
Grenfell of McMinnville, Ore.,
Mrs. Charles Graham of the Vil-
lage, Mrs. Ona Canara of Monte-
bello, the E. O. McKinneys, the
Lt. W. G. McKinneys, Lt. Ted Mc-
Kinney, and Don McKinney.

Lt. Ted McKinney left Monday
morning for Reno, Nevada, where
he started a five-week special
training course this week. He
made several trips to foreign
fronts in the past few months.

Could the administration treat
us other than as morons if it must
judge by the men we have been
sending to congress, outside of a
few able ones we have been able
to slip in?—Mrs. William F.
Crocker, Oakland.

We got off to a good start in
Morocco, got plenty of experience
in Sicily, learned something at
Volturno—and have been going
strong ever since. — Lt. Rupert
Prohne, of California's famous
"Third," Burlingame.

Too many folks discover that
one thing sure to stop an auto
from skidding is a lamppost.

YOU'RE IN THE ARMY NOW

By Maj. Herc Ficklen

"I feel depressed today."

Dr. Henry S. Reid
Elected President
By Village Rotary

Dr. Henry S. Reid was elected
president of Palm Springs Rotary
club when members of the newly
elected board of directors met
Wednesday noon following the
weekly meeting of the club at
the Desert Inn and organized.

At the election of directors,
Tom Holland, Newton Hotchkiss,
Fred Ingram and Carl G. Lykken
were named. They met and elect-
ed Dr. Reid president, Mr. In-
gram, vice-president, Mr. Hotch-
kiss, secretary and treasurer and
R. H. Bennett, assistant secretary
and treasurer. With Mr. Holland
and Mr. Lykken, the officers will
constitute the Rotary club board.

ACTING PRESIDENT

Dr. Reid, who was vice-presi-
dent, has been acting as presi-
dent of the club since resignation
of H. E. Patterson a few months
ago.

Col. A. B. Jones, Torney Gen-
eral Hospital commanding officer,
was chairman of the day and in-
troduced Col. John R. Fite, just
back from Mediterranean theater
of war. Col. Fite was in charge
of supply for that theater for
the Army Air Force, gave some
interesting highlights of
activity on that front and ex-
plained some of the strategy in-
volved. He also talked of in-
vasion methods and preparations.

MANY VISITORS

In the course of supplying the
air forces in the Mediterranean
theater, he said more than 325,000
separate items were involved.

Many visitors from far and
wide were present at the inter-
esting meeting.

Ceiling Prices On
Foods for New Week
Announced By Panel

Declines on carrots and peas
and the addition of 1944 crop
onions to the list are the addi-
tions noted on the housewife's
"guide" prices for the area in-
cluding Palm Springs, as an-
nounced by the OPA this week.
The prices went into effect yester-
day and are effective until
next Thursday, Tom Holland,
chairman of the price panel of
the local board, said today.

"These are not required prices,"
said Holland. "Some merchants
may be able to undersell them."
Prices and changes for the
week:

Lettuce—12c lb., no change.
Tomatoes (field grown), 27c lb.,
no change.
Carrots (full top, minimum wt.
1 lb. per bunch), 7c bunch, down
1.

White cabbage, 2 lbs., 11c, no
change.
Red cabbage, 2 lbs., 13c, no
change.
Peas, 18c lb., down 2.

Spinach (sold by weight), 9c
lb., no change.
Spinach (sold by unit), 5c
bunch, no change.
Potatoes (1943 crop), 5 lbs., 32c,
no change.

White dry onions (1943 crop),
3 lbs., 29c, no change.

White dry onions (1944 crop),
3 lbs., 38c, new item.

Red, yellow or brown dry
onions (1943 crop), 3 lbs., 29c, no
change.

Red, yellow or brown dry
onions (1944 crop), 3 lbs., 36c, new
item.

White dry pickling and boiling
onions (1943 crop), 3 lbs., 34c, no
change.

Oranges, Valencia and Navel,
bought packed, 5 lbs., 50c, no
change.

Oranges, Valencia and Navel,
bought loose, 5 lbs., 36c, no
change.

Grapefruit, white, bought pack-
ed, 10c lb., no change.

Tangerines, 5 lbs., 65c, no
change.

Lemons, bought packed, 5 lbs.,
63c, no change.

Lemons, bought loose, 5 lbs.,
47c, no change.

Bananas (in hands), 13c lb., no
change.

Apples, all varieties, 2 lbs., 25c,
no change.

The Alaskan highway tele-
phone project, a 2060-mile, two
circuit telephone - teletypewriter
line, is ranked as the world's
second longest carrier communi-
cations system. The line now
connects Helena, Mont., with
Fairbanks, Alaska.

The balck market in gasoline
is one of the most serious threats
there is to our civilian life and
work. — OPA Chief Chester
Bowles.

24 Employees Said
Needed At Torney

According to statements by the
United States Employment office
at Riverside, 24 employes are
needed at Torney General Hospi-
tal here to fill civil service jobs,
six of them technical positions
and 18 others.

Representatives of the U. S.
civil service and the War Man-
power commissions met in Ban-
ning yesterday to interview ap-
plicants.

Boyd Stresses Need
of Postwar Planning

Philip L. Boyd of Palm
Springs, addressed members of
the Elsinore Lions club Tuesday
night, urging careful postwar
planning because of the tremend-
ous population increases predict-
ed for the state.

The Villager, candidate for the
assembly, quoted figures which
indicated that the San Bernar-
dino-Riverside area would have
postwar population increases of
2½ million.
